McNeese State University

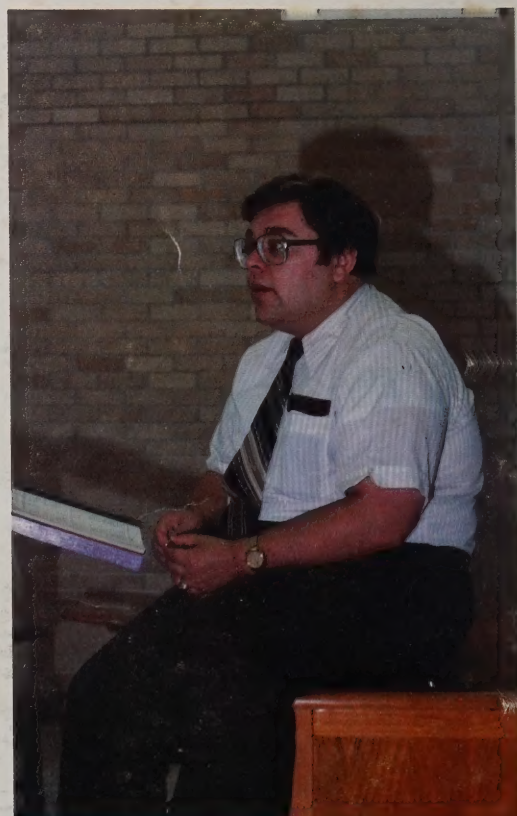

Lake Charles, Louisiana

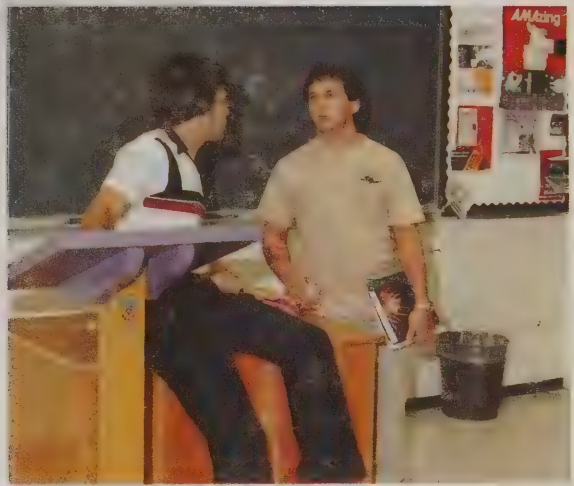

Log 1982 Vol. 39

Looking Through a Window into the World of Knowledge

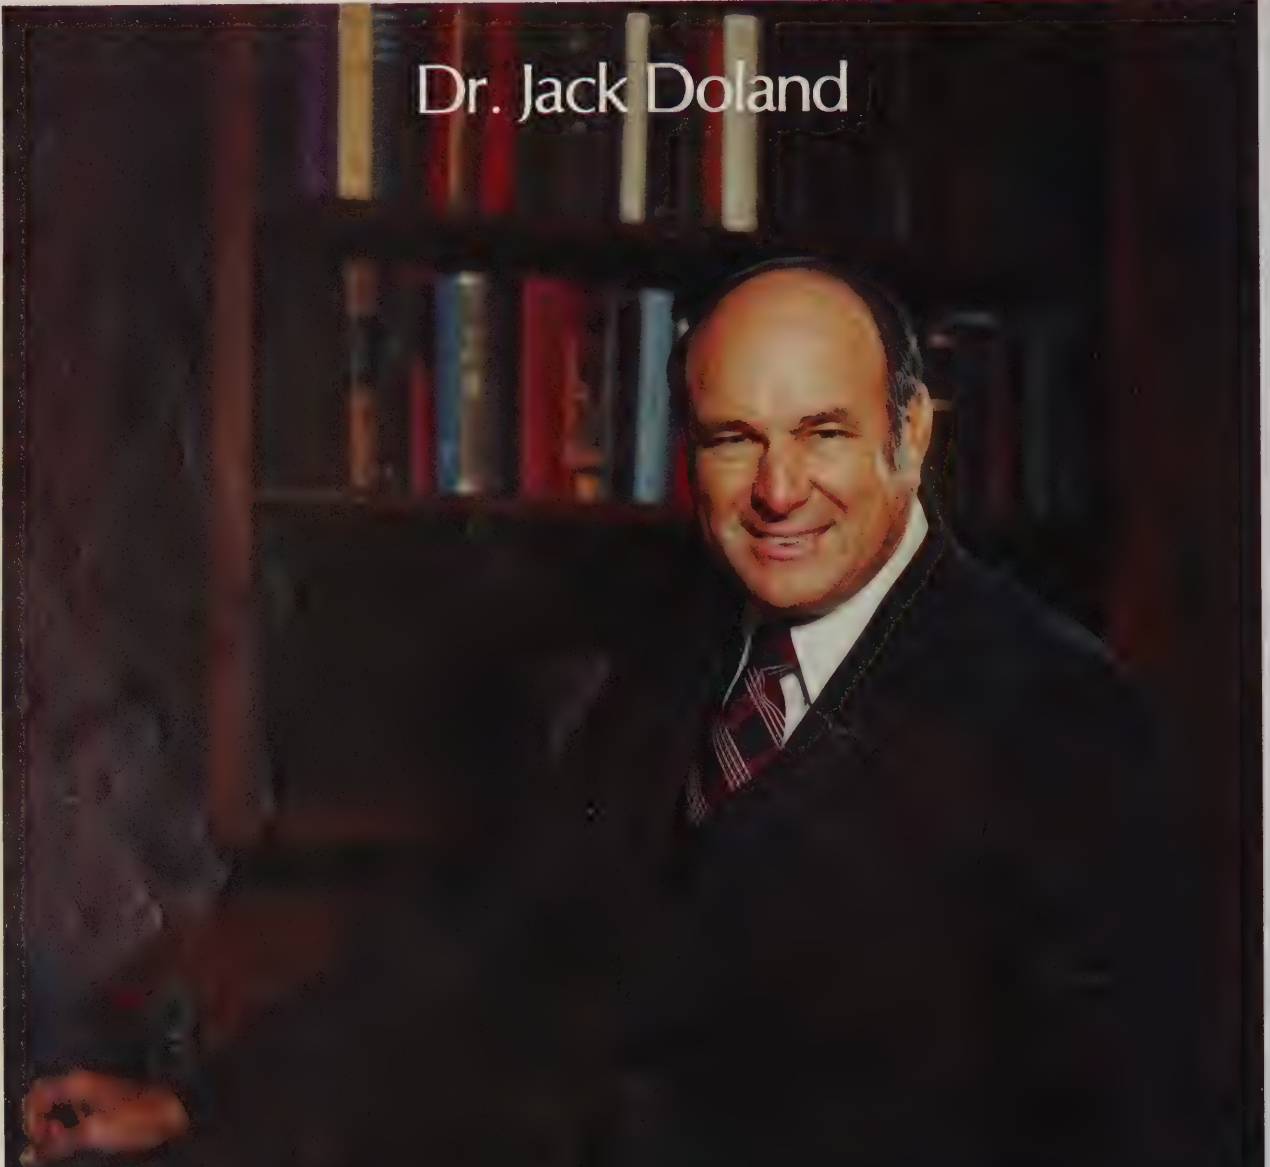

Here at McNeese one gets a clear picture of associating with one's fellow students and of cultivating the fine art of living and sharing with others. The challenge of inspiring teachers who have kept the torch of culture and progress burning; the opportunity of enriching one's life by broadening and cultivating personal interests and talents; the inner thrill and satisfaction of gaining knowledge and wisdom and of recognizing and discovering the eternal truths that transcend evolution and change; the pleasure of self-expression and the delight of propagating one's own ideas; and the gratitude of humanity for unselfish service — these are the greatest rewards one may enjoy by looking through a window into the world of knowledge.

A color portrait of Dr. Jack Doland, a middle-aged man with thinning hair, wearing a dark suit, white shirt, and a patterned tie. He is smiling and looking towards the camera. The background is a dark, out-of-focus bookshelf filled with books.

Dr. Jack Doland

When historians look back on McNeese State University, the 1981-82 school year will be noted as a turning point for the institution. After many years of struggle, McNeese was recognized as a leader by the entire state of Louisiana. An increased enrollment of 31% attests to this acceptance of the university by Southwest Louisiana and the entire state and nation.

This national record for enrollment increase was enhanced by many new capital projects. Among these were the renovation of the arena for a physical education and recreation facility, a new engineering and nursing facility, planning for a new business center, and the improvement of many older buildings. A land addition of fifteen acres adjoining the campus was a promise of future growth. Several of our programs, such as nursing and engineering, received initial national accreditation during this year. Many changes in the academic procedures took place in the fall of 1981 and were considered excellent improvements.

The administration of this university will continue working to make every program that is sponsored by McNeese second to none. Most of our programs that can be measured are close to that goal now. We truly believe in the quality of our student body and the dedication and ability of our faculty.

Dr. Jack Doland, President
McNeese State University

Events

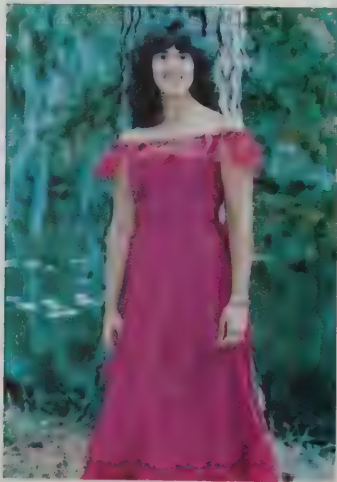

Eva Prejean — Senior Maid, Elementary Ed. major from Lake Charles.

Candace Wright — Junior Maid, Accounting major from Many.

Denise Soileau — Sophomore Maid, Radio and TV major from Bridge City, Texas.

Pam Moreau — Homecoming Queen, A senior finance major from Lake Charles.

Lori Carter — Senior Maid, Elementary Ed. major from Lake Arthur.

Lori Sutton — Junior Maid, Accounting major from Lake Charles.

Deb Couvillion — Freshman Maid, Pre-Dental major from Lake Charles.

Queen Pam Moreau, the daughter of Mr. and Mrs. Levorat J. Moreau was elected by the student body Wednesday, October 14, 1981 to reign over McNeese State University's 37th Homecoming Week. Pam is a very warm outgoing person who finds time to participate in Chi Omega sorority, the American Marketing Association, and various Beauty Pageants and also during her leisure time she plays tennis, models, and does embroidering.

Playboy of the Western World Madwoman of Chaillot and Death of a Salesman

The College of Liberal Arts productions are designed for the freshman class at McNeese. Each semester the students read a play, discuss it in class, see videotaped lectures on it, and then attend the live performance.

Three of these plays have been presented. Randy Chapman and Dawna Malloy starred in *Playboy of the Western World*, an Irish comedy by Singe. Gerlyn Mott, Lisa Bustle, and Paula Landry had the leads in Giraudoux's *Madwoman of Chaillot*. Carl Bergeron and Mary Anne Sigler joined with Mike Mayo and Randy Chapman to present Arthur Miller's American tragedy, *Death of a Salesman*.

Dido and Aeneas AND Doctor Miracle

March 13-14

Cast in the title roles of "Dido and Aeneas" were Allison Peltz of Lake Charles, who was Dido, Queen of Carthage, and Patrick Daughtry of Lake Charles, portrayed her great love, the adventuring Trojan, Aeneas. Named to the role of Belinda, Dido's handmaid, dearest friend, and confidant, was Phyllis Gain, of Lake Charles. Marietta DiGeorge of Sulphur and Fred Boerman of Lake Charles were cast as the young couple in "Doctor Miracle," with Dale East of Alexandria and Charlotte Richardson of DeQuincy cast in pivotal roles. Both Purcell's "Dido and Aeneas" and Bizet's "Doctor Miracle" were performed March 13-14, 1981 under the direction of Mrs. Michele Martin, a voice teacher at MSU.

The action takes place in the Younger's apartment in Chicago's Southside, sometime between World War II and the present.

The younger living room would be a comfortable and well-ordered room if it were not for a number of indestructible contradictions to this state of being. Its furnishings were typical and undistinguished and their primary feature is that they have clearly had to accommodate the living of too many people for too many years — and they are tired. Still, we can see, at some time, a time probably no longer remembered by the family (except perhaps Mama), the furnishings

of this room were actually selected with care and love and even hope — and brought to this apartment and arranged with taste and pride.

That was a long time ago. Now the once loved pattern of the couch upholstery has to fight to show itself from under acres of crocheted doilies and couch covers which have themselves become more important than the upholstery.

Wearing has in fact won in this room. Everything has been polished, washed, sat on, used, scrubbed too often. All pretenses but Living itself have long since vanished for the very atmosphere of this room.

What happens to a dream deferred?

Does it dry up

Like a raisin in the sun?

And fester like a sore —

And then run?

Does it stink like rotten meat?

Or crust and sugar over —

Like a syrupy sweet?

Maybe it just sags

Like a heavy load.

Or does it explode?

— Langston Hughes

In the first act the author genially outlines the history of the town, which is Grover's Corners, N.H., and something of the character of its citizens. Then he carries you into the houses of the Gibbs and Webb families, substantial homes containing substantial folks. You arrive at breakfast time and are carried through one entire day in the lives of these good people.

The second act concerns the love affair between young George Gibbs and little Webb, and thus culminates in a moving wedding scene, which contains all those elements of poignant sorrow and abundant happiness that make for solemnity and impressiveness.

In the third act we are led to the cemetery on the hill, where many of the townspeople we have come to know so well are patiently and smilingly awaiting not "judgment" but greater understanding. Into their midst is led the bride, a little timid at first, a little wishful to go back to life, to live again with her memories. But she is shown how impossible, how futile it is to return. The past cannot be re-lived. Living people, humans, occupied with their petty occupations and small thoughts, know little of true joy or happiness. Truth is to be found only in the future.

"Y'know, the dead don't stay interested in us living people for very long. Gradually, gradually, they let go hold of the earth — and the ambitions they had — and the pleasures they had — and the things they suffered — and the people they loved. They get weaned away from earth — that's the way I put it, weaned away. Yes, they stay here while the earth-part of 'em burns away, burns out, and all that time they slowly get indifferent to what's goin' on in Grover's Corners. They're waitin'. They're waitin' for something they feel is comin'. Something important and great. Aren't they waitin' for the eternal part of them to come out — clear?

Who's Who Among Students

C. Janet Austin — Accounting major from Lake Charles, former SGA president, chairman of "LaBelle," a member of the Accounting Society and served on various university committees.

Lynne Ann Belair — a Medical Technology major from Jennings; She is a member of The Greater Lake Charles Society of Medical Technologists, treasurer for the Pre-Med Society, recipient of The Joy Holm Memorial and T. H. Harris Scholarships.

Mary Veronica Berken — An Agri-Business major from Jennings, a member of Delta tau Alpha, president of the Agronomy Club, SUB, RSA, Brock and Bridle Club, and T. H. Harris Scholarship recipient.

Richard Joseph Berken — an Agri-Business major from Lake Arthur, president of Delta tau Alpha and Council of Agriculture, a member of the Brock and Bridle Club, and Agronomy Club.

Kathryn Ann Broussard — an Agri-Business major from Vinton. She is active in Delta tau Alpha, Agriculture Honor Society, and Epsilon Alpha Epsilon.

Mark Anthony Broussard — a Pre-Dental major from Sulphur. He is president of the pre-Med Society, a member of the French Club, and Blue Key National Honor Fraternity.

Dianne Carnahan — an Agri-Business major from Longville, president of the Brock and Bridle Club, a member of the Agronomy Club, Delta tau Alpha, and the Agriculture Council.

John Matthew Chenet — Accounting major from Lake Charles; He is SGA president, Vice-president of the Blue Key National Honor Fraternity, treasurer of Kappa Sigma, a member of the Student Advisory Council, a Conoco and Board of Trustees Scholarship recipient, and has served on various university committees.

Janice Marie Daigle — a Nursing major from Baton Rouge, MSNA treasurer, a member of the McNeese Student Nurses Association, and a Jewel M. LeCave Nursing Scholarship recipient.

Joseph Steven Easton — an Agronomy major from Jennings, president of DTA, also a member of the Agronomy Club and Brock and Bridle Club.

Dale E. Gauthreaux — a Speech major from Lake Charles, president of Alpha Psi Omega, a member of the Baptist Student Union, Debate Team, and Student Government Association.

John Anthony Glynn — Educational Psychology major from Lake Charles, member of Kappa Sigma Fraternity, Blue Key National Honor Fraternity, Student Director.

Patricia Ann Granger — Home Economics Major from Lake Charles, vice-president of Kappa Omicron Phi, and a member of AHEA.

Mary Elizabeth Crosze — History Major from Lake Charles, member of Catholic Student Center, News Editor for the Contraband (Spring, 1980).

Mary S. Hardt — Engineering Major from Lake Charles, member of American Institute of Chemical Engineering (AICHE), Phi Kappa Phi, and Phi Mu Epsilon (Math Fraternity).

Lori Lynn Hauskins — Pre-Dentistry Major, member of Chi Omega, also Epsilon Alpha Epsilon, MSU Sailing Club.

Dea Theresa Zeringue Haynie — Home Economics major, member of Home Economics Professional Honorary Sorority.

Steven Hale Hebert — Sociology major from Jennings LA., member of American Harp Society, Band, Choir, and Orchestra.

From left to right: Steven Hebert, Richard Berken, Lorrie Hemmings, Patricia Granger, Lori Carter, Louis Landry, Kathryn Broussard, Allison Peltz, Lori Hauskins, and Mary Berken.

From left to right: Billy White, Mary Hardt, Jodi McCleary, Mark Broussard, Pamela Holloway, Eva Pettefer, John Chenet, and Jay Glynn.

n American College and University

Lorrie Louise Hemmings — Business Administration major from Beaumont, Texas, member of Phi Mu, (EAE) Women's Honorary Fraternity, senior vice-president of the American Marketing Association.

Pamela Ann Holloway — Chemical Engineering major from Lake Charles, member of Phi Mu Sorority, McNeese Engineering Society, MSU marching and symphonic bands.

Carlton Duwade Holmes — Business Administration major from Lake Charles, member of Alpha Phi Alpha, also Delta Sigma Pi, Student Council for Afro-American Culture, Contraband sports editor.

Christopher Paul Ieyoub — Business Administration major from Lake Charles, member of Kappa Sigma, and Blue Key National Honor Fraternity.

Louis Jessie Joubert III — Psychology and Special Education major from Crowley, member of Student Council for Exceptional Children.

Terri Ann Land — Accounting major from Sulphur, member of Chi Omega, Epsilon Alpha Epsilon, McNeese Panhellenic Council.

Louis Lane Landry — Civil Engineering major from Jennings, member of McNeese Engineering Society, president of Society of Civil Engineering, and is a member of Lake Charles Big Brothers/Big Sisters Organization.

Jodie Holloway McCleary — Pre-Med major from Lake Charles, member of Chi Omega, Epsilon Alpha Epsilon, Pre-Med Society.

Kenneth R. McGrath — Biology major from Lake Charles, member of Kappa Alpha, Blue Key National Honor Fraternity, Pre-Med Society, and participates in Intramural activities.

Vicki Melisa Monsour — Music Major from Lake Charles, member of Sigma Alpha Iota, and the A cappella.

Allison Leigh Peltz — Music Education major from Lake Charles, member of Chi Omega, Sigma Alpha Iota, and Epsilon Alpha Epsilon.

Eva Marie Pettefer — Accounting major from Lake Charles, member of Chi Omega, Delta Sigma Pi, Accounting Society, and the Catholic Student Center.

Brenda Sue Reed — Home Economics major from Ville Platte, member of Kappa Omicron Phi, LHEA, American Home Economics, and MSU Band.

Denise Ann Sicks — a Business Education major from Lake Charles; She is a member of NBEA, Phi Chi Theta, Editorial Advisory Committee, SGA, Phi Mu sorority, and participates in intramurals.

Guy G. Theriot — a Business Administration major from Lake Charles; He is active in AMA, Pre-Legal Society Senate, and the National Blue Key Honor Fraternity.

Billy Ray White — A Chemical Engineering major from Crowley; He participates in the Senate, McNeese Engineering Honor Society, and is a recipient of the La. State Board Trustees Scholarship and McNeese Engineering Scholarship.

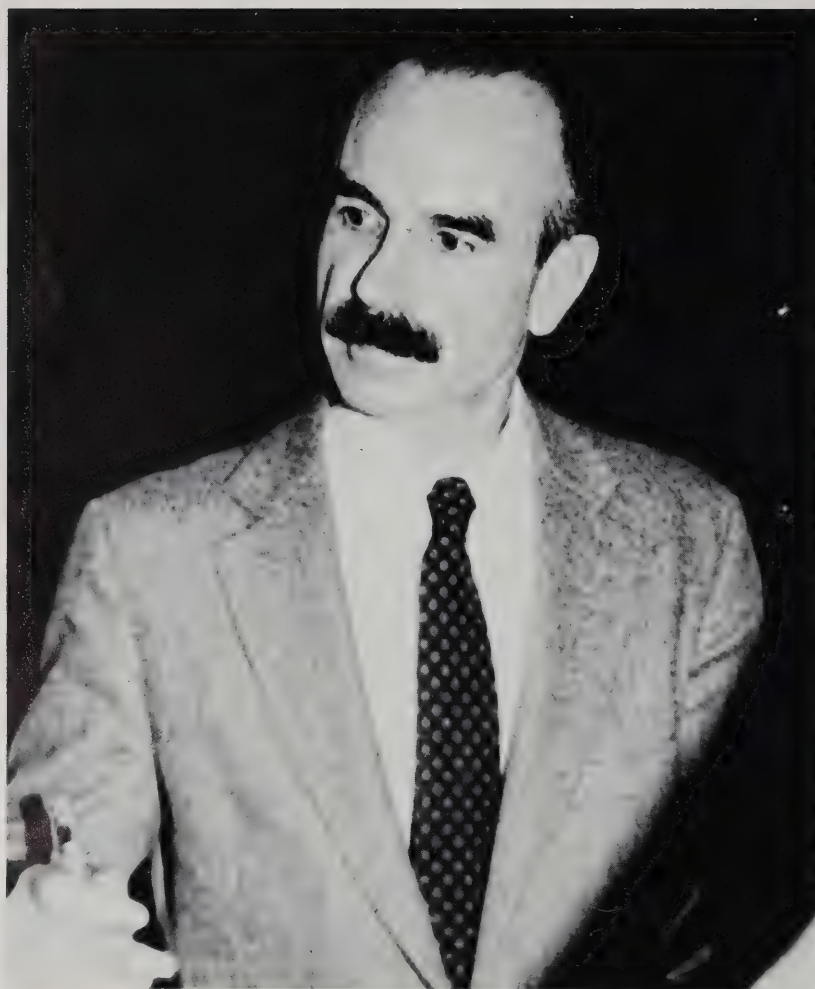

G. Leigh Wilson — a nursing major from Villa Park, Illinois, She is a member of Sigma Alpha Iota, McNeese Student Nurses Association, McNeese's Orchestra and Chorus, and is a University orchestra scholarship recipient.

Kymerly Kaye Wright — an Accounting major from Texas, a member of Phi Chi Theta, McNeese Accounting Society, president of Chi Omega, SGA scholarship recipient, and she participates in intramurals.

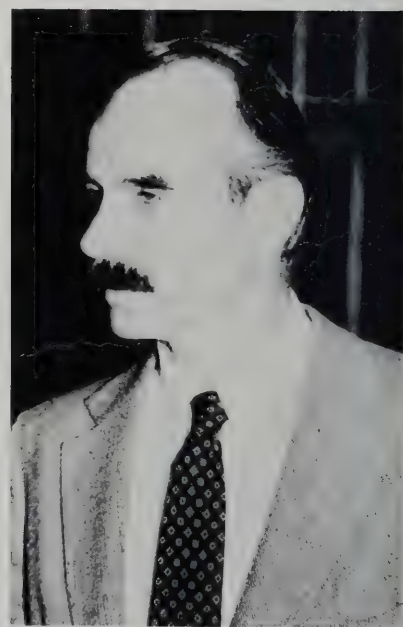

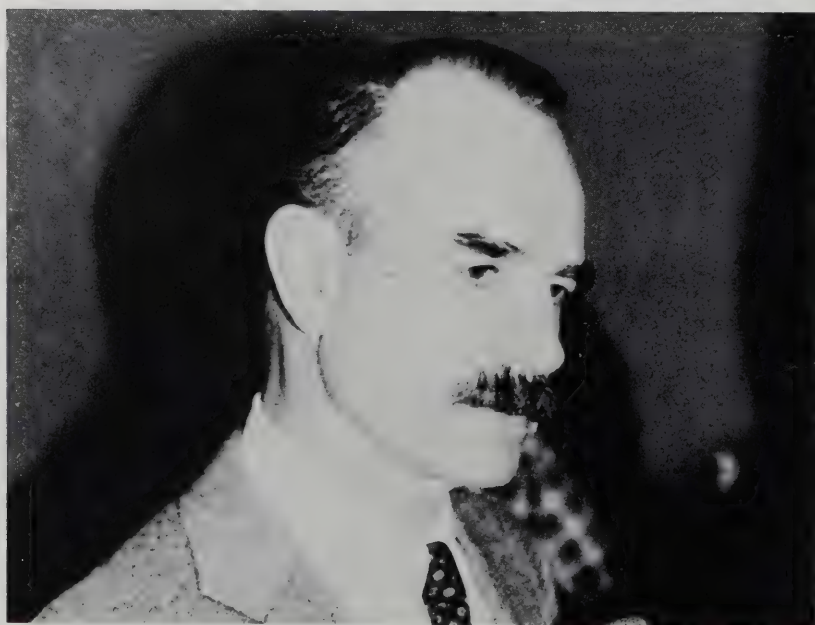

From left to right: Dea Haynie, Steven Easton, Brenda Reed, Leigh Wilson, Jessie Joubert III, Dianne Carnahan, Carlton Holmes, Janice Daigle, Lisa Monsour, Christopher Ieyoub, Kimberly Wright, Dale Gauthreaux, and Janet Austin.

G. GORDON LIDDY

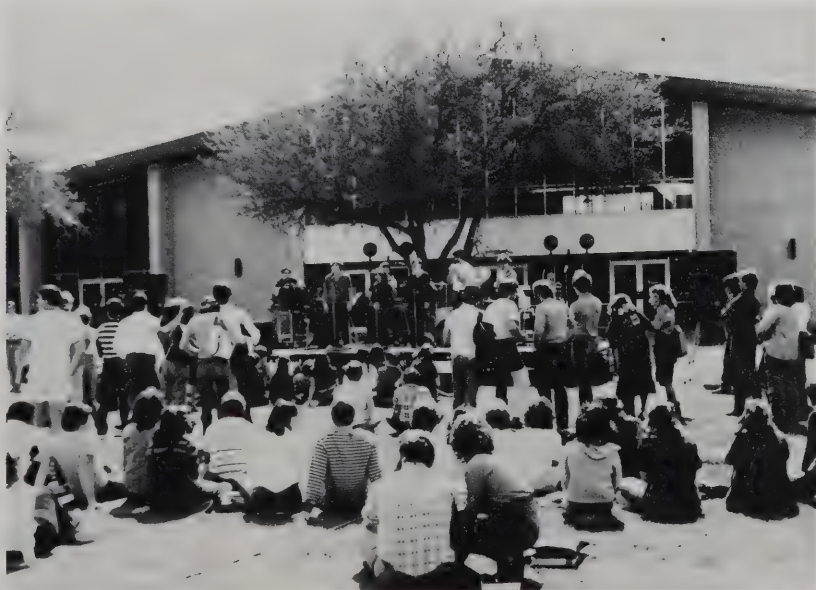

"We are our own worst enemy because of all these illusions around us . . .," G. Gordon Liddy told a group of 1,200 students, faculty and visitors who attended his lecture March 3, 1982. Liddy, known as the one who never talked during the infamous Watergate hearings, captivated his audience with his somewhat awesome knowledge of the American world today. This combined with touches of humor, left most listeners with a definite admiration for Liddy. Liddy averages 85 lectures a year on campuses throughout the United States. He averages \$4,000 per lecture.

LIVING SOUND

Living Sound International is an aggressive music organization that uses contemporary Christian music as a tool to reach people for Christ. Living Sound was founded by a group of university students in the spring of 1969 to conduct weekend evangelistic concerts. They experienced an overwhelming response to their ministry and felt God's call on their lives to conduct a mission to Southern Africa. Under the leadership of its founder Rev. Terry Law, Living Sound launched a full-time evangelistic outreach in June 1969. Membership is approximately 90 persons, including five full-time teams in the USA and abroad. Team members are now coming from around the world: South Africa, Sweden, Canada, and Great Britain. Living Sound V is made up entirely of Soviet young people. In the coming years, Living Sound hopes to have teams ministering on a fulltime basis on every continent of the earth. Living Sound's major thrust during their first ten years of existence has been devoted to overseas missions.

ENGINEERING COURT

From left to right: Jo Ann Proudfoot, Queen Renee Chapman, Debbie Stroder, and Amanda Barnes.

Engineering Week was a complete success at McNeese as over 1000 high school students attended the various exhibits sponsored by the MSU Engineering Department.

Awards were also given, such as the Outstanding Senior Engineering Award won by Stephen Racca; The Outstanding Junior Engineering Award won by Daniel Friesen, the Outstanding Mechanical Engineer Award won by Debbie Strouder and the Garrison Award won by Michael Abshire.

A beauty contest was also held, and the winner was Renee Chapman. The runners-up were Debbie Strouder, Amanda Barnes and Jo Ann Proudfoot.

SPRING COURT 1981-82

Front to back: Mariet Lester, Eileen Woodhatch, Queen Kim Gaspard, Deb Couvillion, Mary Kay Pinch, Lori Sutton and Debbie Hanchey.

In Wednesday's balloting, the students selected Kim Gaspard, a senior early childhood education major from Lake Charles to reign as the fourth McNeese State University Spring Queen and six other women to serve on the Spring Court.

Reigning with Queen Kim will be senior maids Deborah Hanchey of DeRidder and Mariet Lester of Lake Charles; junior maids Lori Sutton and Eileen Woodhatch of Lake Charles; sophomore maid Mary Kay Pinch of Grand Chenier; and freshman maid Deb Couvillion of Lake Charles.

The daughter of Mr. and Mrs. Oran Gaspard and a graduate of Barbe High School; Queen Kim has been a member of Phi Mu sorority, is a Star and Crescent girl for Kappa Sigma Fraternity and has been named to the dean's list every semester.

Miss Hanchey, also an early childhood major, is the daughter of Mr. and Mrs. Eugene C. Hanchey and is a graduate of Central High School in Baton Rouge, while Miss Lester, a general administration major, is the daughter of Dr. and Mrs. Archie Lester and a graduate of Barbe High School.

Miss Sutton, an accounting major, is the daughter of Mr. and Mrs. William P. Sutton and a graduate of LaGrange Senior High School and Miss Woodhatch, who majors in business management, is the daughter of Mr. and Mrs. Maynard Woodhatch and a graduate of Barbe High School.

Miss Pinch, an office administration major, is the daughter of Mr. and Mrs. William J. Pinch, Sr., and a graduate of South Cameron High School, while Miss Couvillion, who is majoring in pre-dental hygiene, is the daughter of Mr. and Mrs. Floyd Couvillion and a graduate of Barbe High School.

MISS LABELLE 1981

Top left: Miss LaBelle — Laura Calloway

Top — downward: Janice Hanney, Kristie LeBlanc, Brenda Reed, Yvette Simien, Cathy Soileau, Renée Fontenot, Vanessa Benham, and Laura Calloway.

*Cathy Soileau
Freshman from Westlake*

*Brenda Sue Reed
Senior from Ville Platt*

*Janie Marie Hanney
Junior from Lake Charles*

*Cornelius Yvette Simien
Freshman from Lake Charles*

*Reneé Fontenot
Freshman from Lake Charles*

*Vanessa Benham
Sophomore from DeQuincy*

*Kristie LeBlanc
Sophomore from Lake Charles*

*Shereé Saunier
Sophomore from Sulphur*

Laura Calloway was selected Miss LaBelle, April 25, 1981. She is the daughter of Mr. and Mrs. Delbert E. Calloway, Sr. Laura is a Senior Vocal Music Education major from Lake Charles.

Mr. McNeese

1981-82

Jay Glynn, a senior Psychology major was elected Mr. McNeese, the first in the school's history. At McNeese, Jay has been actively involved in all aspects of campus life. He is a member of Kappa Sigma Fraternity and serves as this year's Rush chairman. Also, Jay is head cheerleader and a student director for orientation.

Under Student Government, Jay serves as director of Student Affairs and serves as a student representative on the Discipline and Grade Appeals Committees.

Jay, because of his active involvement in McNeese, has been awarded the Catholic Student Center Scholarship the past two semesters and has become a member of Blue Key National Honor Society for men.

Up With People

Up With People is a program that offers young people one of the most unique educational experiences of their lives. From the day you first arrive, you'll find yourself learning, stretching your own potential, your perspectives of yourself and the world around you, and challenging your own abilities, limitations and thoughts.

The program seeks to involve you with people, places and events that you may have never experienced, while helping you to evaluate and understand those experiences.

As you develop yourself, you will be enriching those around you, helping to build bridges of understanding and communication among the peoples and cultures of the world. One of Up With People's goals is to help you mature and develop yourself so that when you return home you will be able to better contribute to society.

Each year over 400 students, aged 17-25, travel in Up With People's five international casts. During Up With People's first fourteen years, over 6,000 young men and women from thirty nations have visited forty-two countries. Many are just out of high school or college. Others are taking a year from their formal studies to participate in the program.

Each year the average cast member will travel an estimated 32,000 miles, across North, Central and South America and Europe. In each city of your tour, you will live with a local family sharing in their interests, lifestyles and customs. By the year's end, you will be able to call nearly 80 families around the world your own.

Performances around the world include the Royal Albert Hall (London); the 1972 Olympic Games (Munich); Super Bowl XIV (Pasadena); the White House; Carnegie Hall; China, Spain, Poland, Mexico, Canada and South America. Up With People was the first multi-national youth group to visit the People's Republic of China since 1949.

Up With People has become known the world over through its two-hour musical production. The show has a broad appeal to people of all ages, backgrounds and nationalities. Whether it is performing in Spanish, French, English or Flemish, the cast becomes a part of its audience instilling a special spirit that is uniquely Up With People's.

The two-hour performance combines fast-paced choreography with music that varies from traditional to contemporary, thought provoking, to whimsical. A twelve-piece band adds the power that is a trademark of the Up With People show.

In Memory of . . .

Along with the gains and victories McNeese experienced this year came one very heart-felt loss. Mr. Slocum, a professor of computer science, died in his home on August 31, 1981, of heart failure.

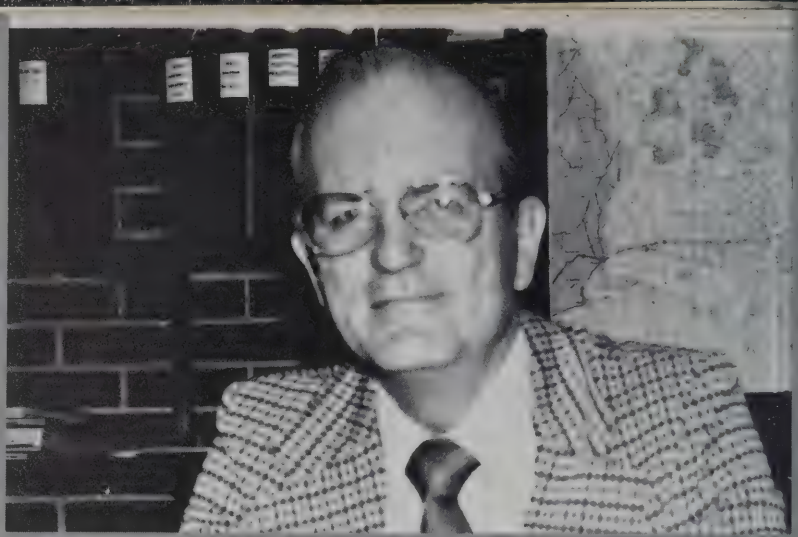

George W. Slocum, Jr. was born January 1, 1917. He attended DeQuincy High School, then joined the U.S. Air Force. He retired from the U.S.A.F. in 1962, earned a B.S. degree from the University of Southwestern Louisiana, and an M.S. degree from McNeese State University.

He joined the McNeese faculty in 1967. He was a professional in Pi Mu Epsilon, Phi Kappa Phi, and the American Mathematical Association.

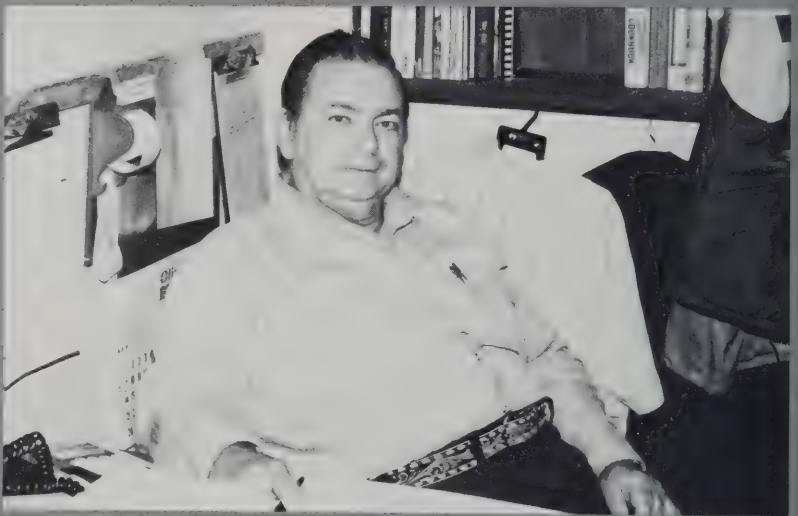

Mr. Slocum's death was a loss for the many friends he made over the years at McNeese. He was a dedicated teacher and had many friends on the faculty, as well as the students he served. The loss of a friend and fine educator cannot be expressed in mere words. His legacy to McNeese will live on in the fond memories we hold of him, as well as the knowledge made available to the students he taught.

Division of Basic Studies *Raymond Chavanne,* *Director*

The Division of Basic Studies provides academic advising to its member students. The primary objective of the Division is to provide entering students with a sound basis in academic understanding as well as general knowledge about the University. Additional guidance, in terms of career selection, is also provided by each of the advisers in Basic Studies. Close, personal supervision is maintained throughout the student's tenure as a Basic Studies advisee.

College of Business

Dr. Wilford Miles,

Dean

The main purposes of the College of Business are to provide business, industrial, and professional organizations with productive personnel, to enhance the cultural growth of students, and give them specialized training in their particular fields of concentration.

The College of Business includes the departments of Accounting, Business Administration, Economics and Finance, and Office Administration.

College of Education

Dr. Louis Rzepka, Dean

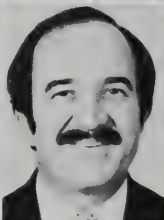

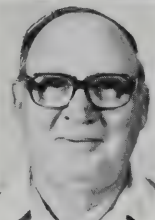

To prepare students to fulfill their role in the teaching profession, to encourage further preparation of professional school personnel, to provide advisory and consultative services to the personnel in the schools of Louisiana, and to encourage research in the various areas of the teaching profession are the main purposes of the College of Education. The College of Education consists of the following departments: Administration and Supervision, Curriculum and Instruction, Educational Psychology and Guidance, Educational Technology, and Health and Physical Education.

College of Engineering and Technology

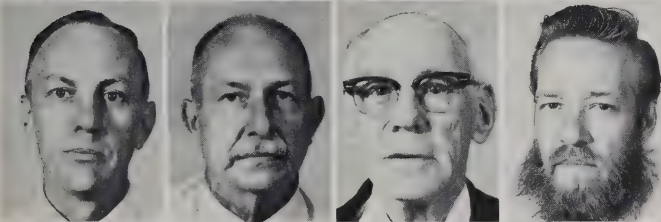

Dr. O. C. Karkalits, Dean

The College of Engineering and Technology provides curricula which give students the theoretical and practical background needed to apply scientific knowledge to meet society's material and physical needs. Also, the curricula provide cultural awareness along with a sound technical education. A cooperative program with industry allows students to alternate periods of study at school with periods of working experience in industry. The College of Engineering and Technology consists of the departments of Engineering and Technology.

Graduate School Dr. Judith Morgan, Dean

The purpose of the Graduate School is to contribute to increased competency in specialized fields, to further the development of students in techniques and methods of scholarly research, to develop broader and deeper understanding of human knowledge, and to stimulate and encourage students to prepare themselves for future graduate study. Graduate instruction is supervised by the appropriate department heads and the graduate faculty.

College of Liberal Arts

Dr. Richey Novak, Dean

The College of Liberal Arts is a new division which combines the old Schools of Humanities and Fine Arts. The College of Liberal Arts provides students with a high standard of specialized and liberal education by encouraging the development of the mind, talents, and personality, and it contributes to the surrounding community through the enrichment of culture. The wide variety of curricula offered in Liberal Arts reaches the interest of a large number of students. The College of Liberal Arts offers curriculum choices in the areas of Art, Languages, History, Social Sciences, Speech, and Music.

Student Life

Dorm Life

PACK IT UP

Each August, a student collects everything he owns, packs it up and heads out for yet another year of fun at McNeese State University.

Upon arrival, he is again faced with the boring task of registering in the residence hall he has chosen for the year. After this annoying job is completed, he is allowed to enter his room.

He somehow manages to drag four suitcases, a typewriter, two pillows and the faithful bean bag chair up countless flights of stairs to his new room. After searching all of his pockets and dropping everything all over the hall, he finally remembers that he has left the room key downstairs where he registered. After a quick sprint down, then back up the stairs he is finally ready to enter his room.

He turns the key, turns the doorknob and lets out a cry of disbelief. For some reason he had expected the rooms to get larger during summer vacation. They are still closet sized and all look identical and they are even the same dreary university colors. He decides he will have to make do.

Within a couple of hours, he has turned the room into an attractive, cozy place. It's amazing what six rugs, bright curtains, a few posters and a dozen or so plants will do for an otherwise dull existence. It's not paradise but it's home for the next few months.

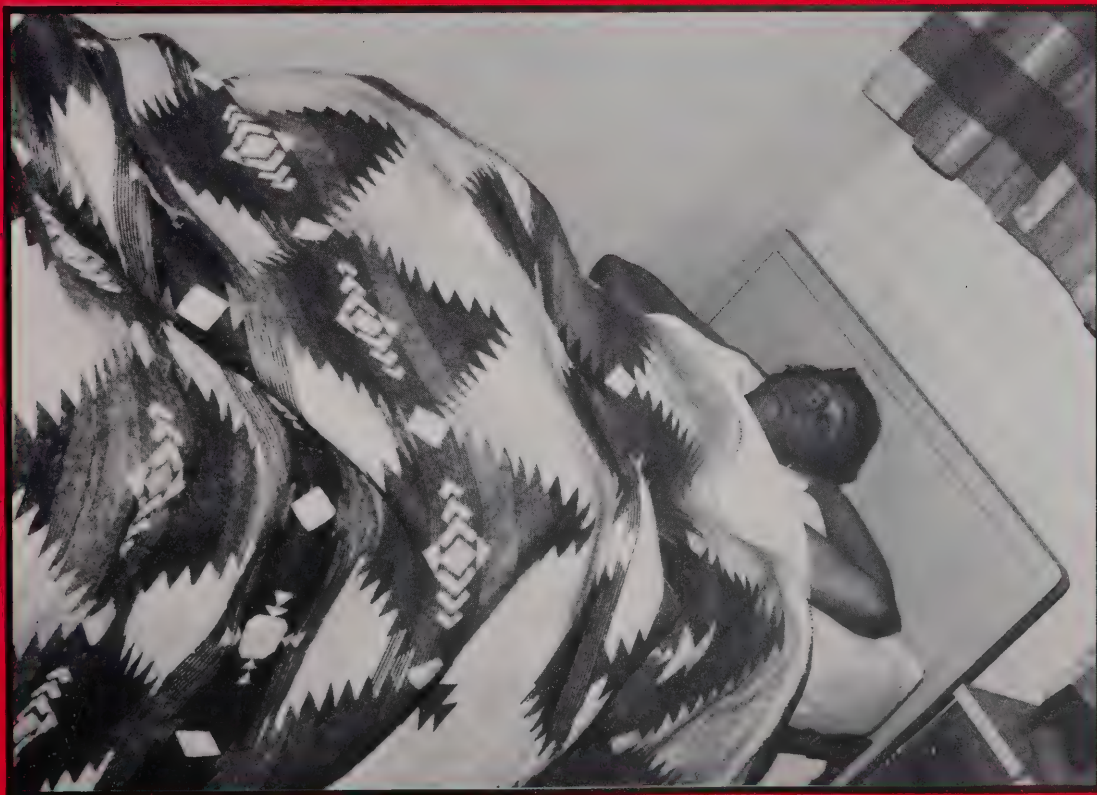

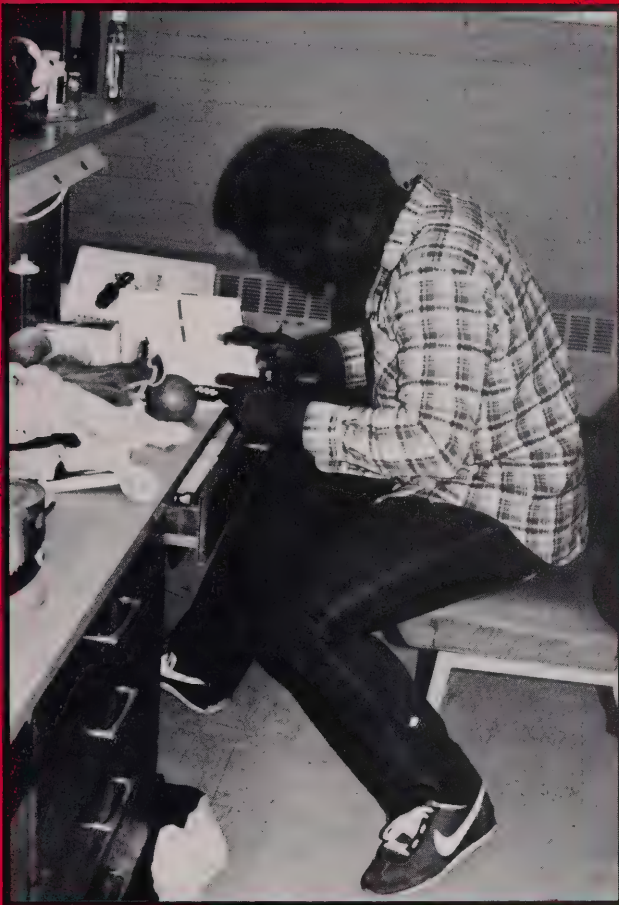

Soon his friends begin to arrive. As he helps each of them with their unpacking, he begins to notice the advantages of residence hall life.

He now knows where he will be able to catch his favorite television shows this year — his friend brought a television from home. He then helps unpack a popcorn popper and two bags of groceries. The late night munchy problem has already been solved!

Later that night, as he sits in his room preparing himself for the next day, he glances outside his window and realizes those crazy guys have already organized another "Jungle Juice" party. How could he possibly pass it up?

On go the shoes and out he goes. Three hours, one party, and a trip to the lake he is back in his room and ready for bed.

"It sure is nice to be back," he thinks to himself. "You know, these halls aren't so bad after all."

A Personal Profile

Just as significant as what is taught in the classroom is what is learned outside of it. Interaction among students is essential to the development of a distinct profile. The experiences of today help shape a silhouette that will last a lifetime. Whether a student lived on campus or off, whether socializing meant meeting in the coffee shop, the poolroom, the ranch or outside, impressions that will never be forgotten were formed.

Night Life

Night Life for a big percent of McNeese students consists of going to the local night spots.

Socializing, dancing and drinking are all favorite pastimes. Whether it be at Cowboys, Copperfields, The Keg or Doc Holliday's, the dance floors will usually be packed with MSU students.

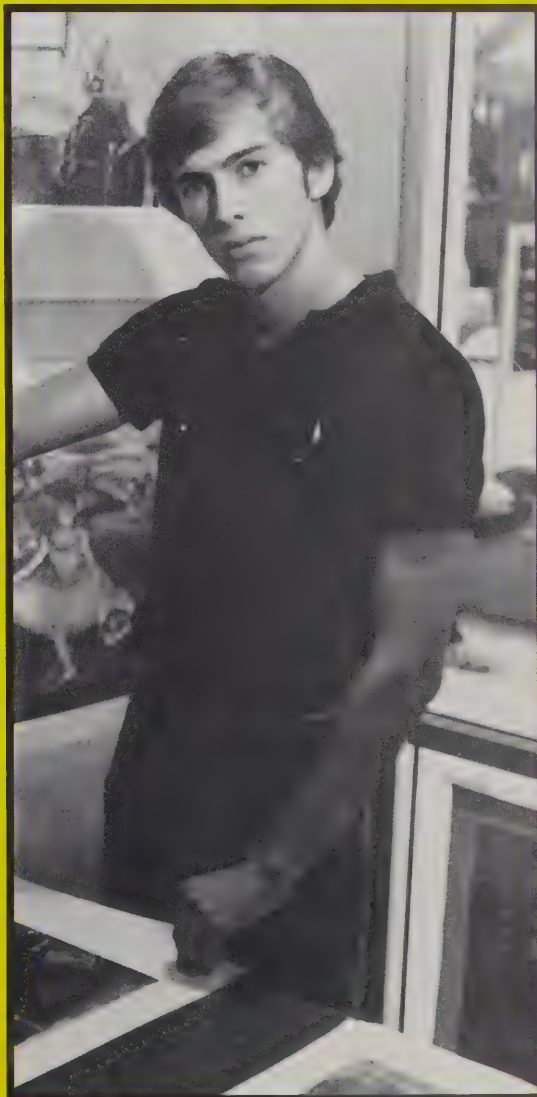

Individualism

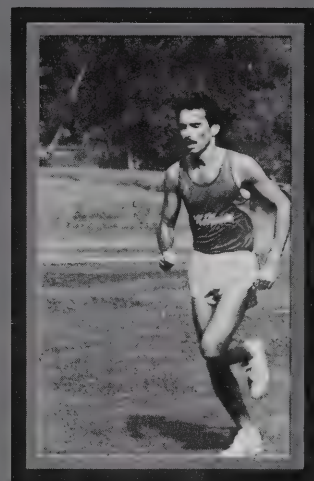

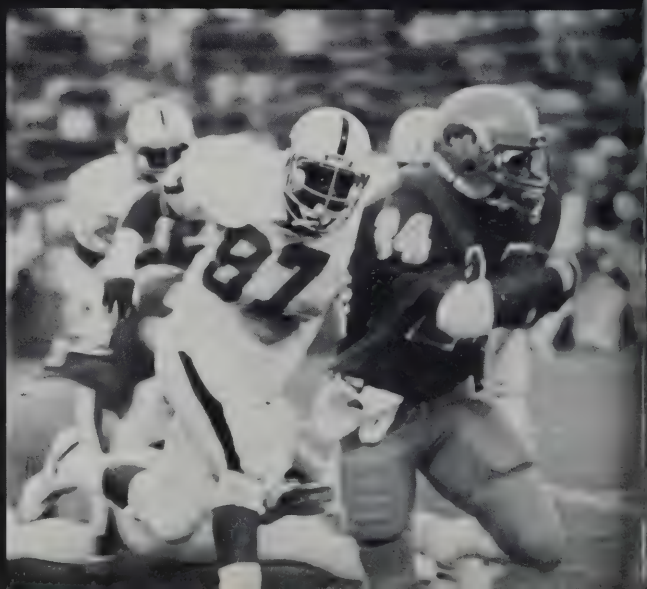

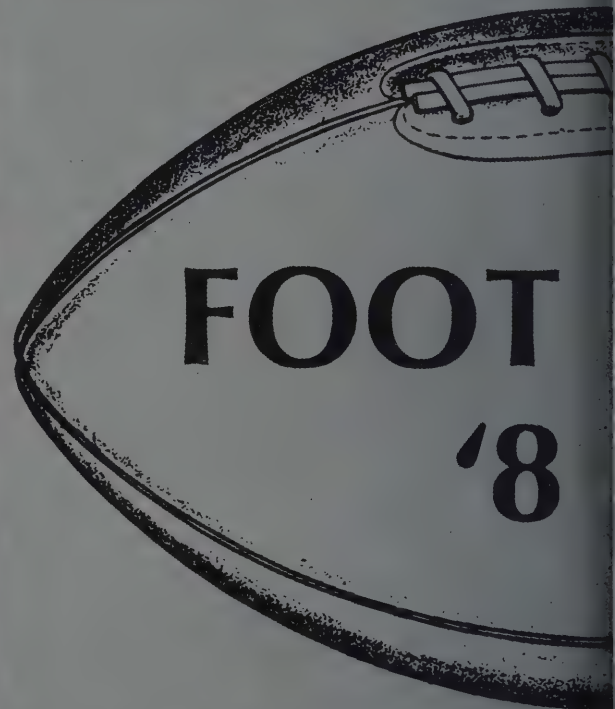

At such a point in time, it is a struggle to maintain a unique personality. The relaxed atmosphere at McNeese provides a chance to rediscover the caring and sensitivity of others. Here, it is possible to learn from the examples of others and the same time develop one's own personal profile.

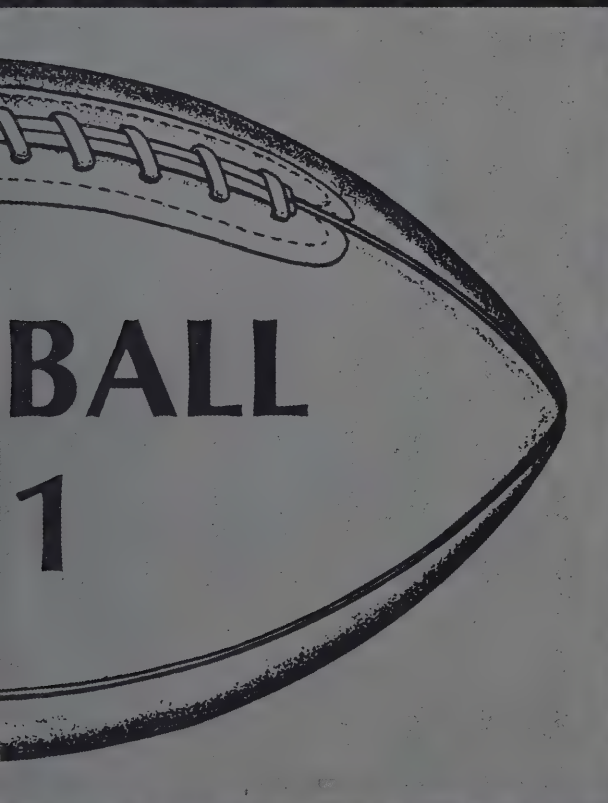

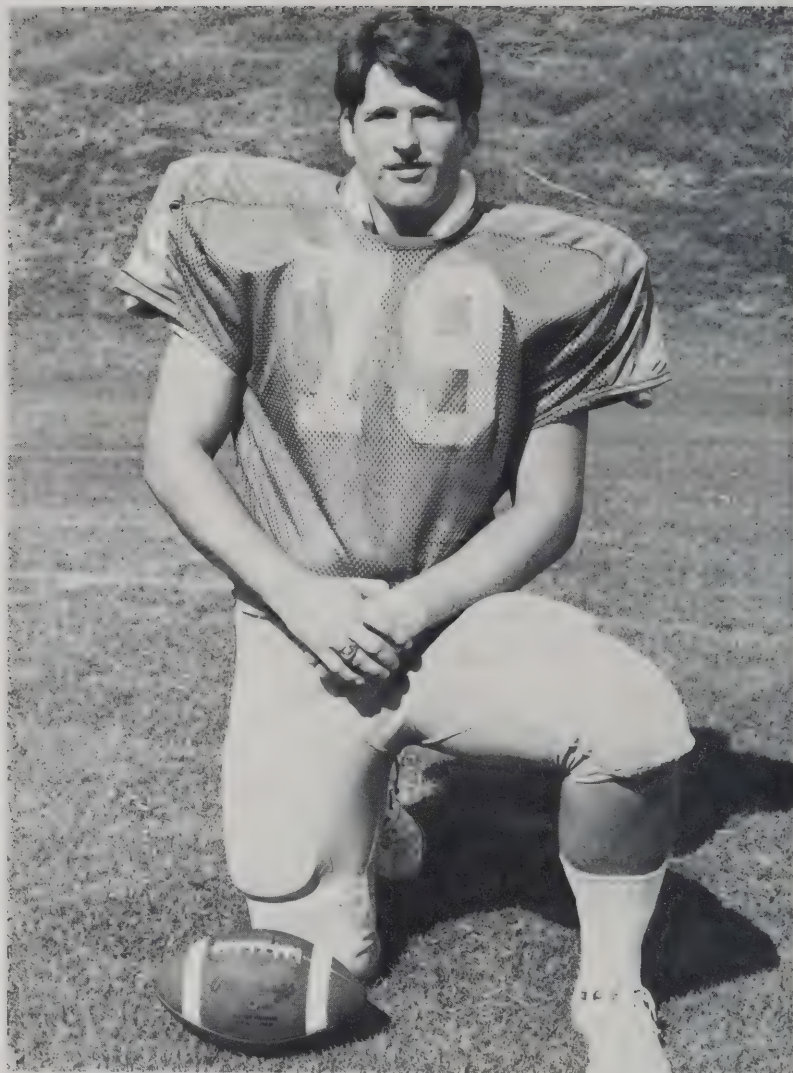

Sports

IN MEMORY OF CLAY CARROLL

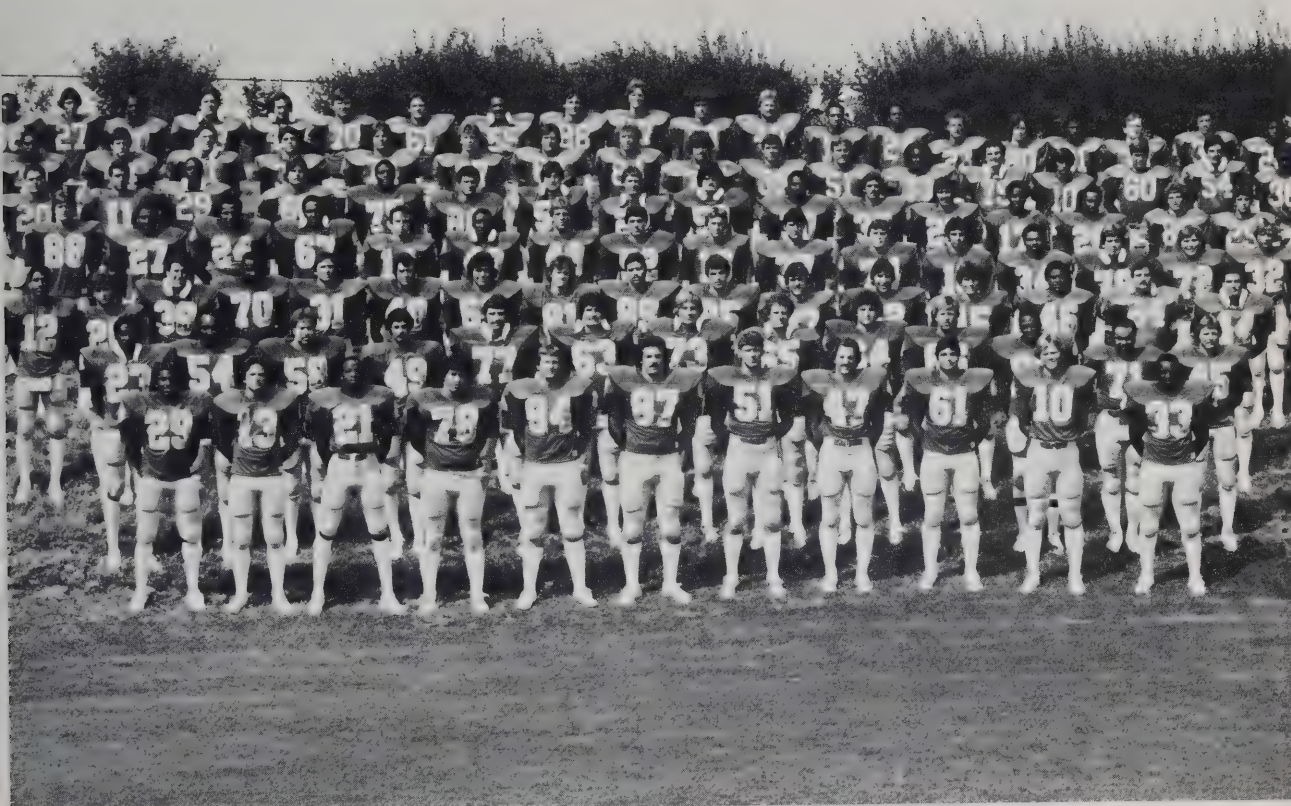

This section is dedicated to Clay Carroll, a Radio and Television major and defensive tackle, starter for the Cowboys in 1978, 1979, and 1980. Clay was selected as the outstanding defensive player in the 1979 Independence Bowl game. He was the All-Southland Conference selection in 1980, and ABC Sports had contacted him to provide an audition tape for a sports-casting job.

The name of the Outstanding Student Award in Radio and Television has been changed to the Clay Carroll Award in honor of him.

Clay approached his academic life the same way he approached his sports life. He wanted to do his best, and it was this notion that made Clay an enthusiastic student, an eminent football player and a warm, friendly person.

It was his enthusiasm for life and his congenial personality that endeared him here at McNeese. And although Clay's life was taken in a fatal car accident on August 1, 1981, his memory lives on here, through his football and academic achievements, and through the friends who revered him.

1981 MCNEESE STATE FOOTBALL ROSTER

McNeese 27 — S. Illinois 12

The Cowboys' victory came as no surprise as quarterback Stephen Starring passed for two touchdowns and place kicker Don Stump booted two field goals in leading McNeese State to a 27-12 victory over Southern Illinois. The two field goals by Stump were the 35th and 36th of his career, leaving him only nine shy of the Southland Conference and the Louisiana State records. The nine points he posted in the Cowboys' victory lifted his career total to 203, only six shy of the school record of 209 that is held by Larry Grissom, who scored most of his points on touchdowns.

Elsewhere on the offensive side of the ball, tailback Theron McClendon had the hot hand rushing as he carried the football 16 times for 94 yards while quarterback Stephen Starring accumulated 132 yards total offense, 43 rushing and 89 passing. Tailback Munchie Jordan and receivers Dawayne Dartez and Brian Blanco produced Cowboy touchdowns. Rusty Guilbeau led in tackles with nine.

Offensive guard Archie Moore and defensive end Rusty Guilbeau were selected the Players of the Game for McNeese State in the victory over Southern Illinois.

Above: Coach Duplechin looks on with concern.

Ball State 24 — McNeese 21

McNeese State's speciality squads came up with two of the team's three touchdowns in a three-point loss to Ball State and Lenoard Smith and Theron McClendon produced school records. Two of the Cowboy scores in the 24-21 setback at the hands of the Cardinals were an 82-yard kickoff return by McClendon and a 38-yard blocked punt return by Smith. The other tally was a 25-yard run by Buford Jordon.

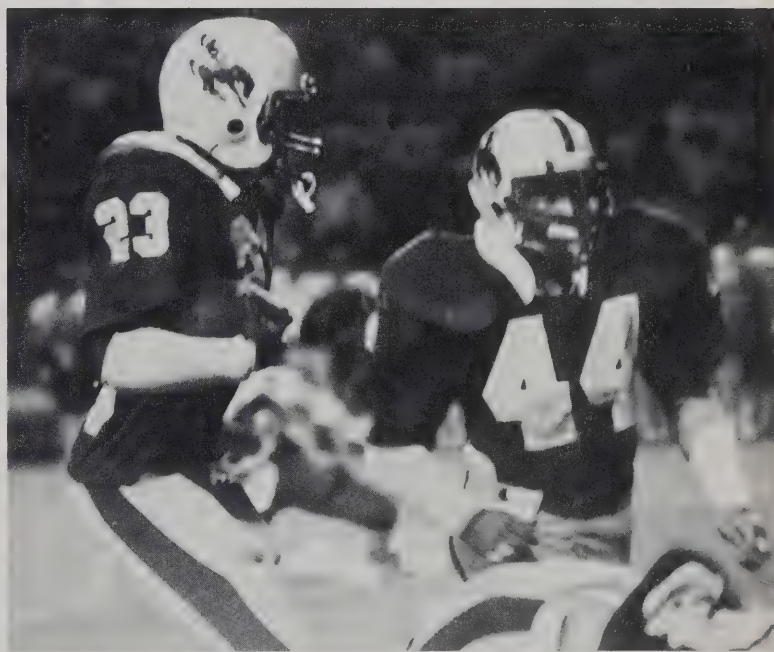

Smith, who last year blocked three field goals and one punt, now has five kick blocks to his credit (a school record). He later scooped up the football on Bernard Bell's punt block and rambled into the end zone for the Cowboys' final touchdown. McClendon put his name into the record books for yardage returning kickoffs. He ran back four returns for a total of 143 yards, the 82-yard jaunt being the fourth longest in the school's history.

Offensively, quarterback Stephen Starring accounted for most of the Pokes' total 285 yards. He chalked up 102 yards on 14 carries and he completed six-of-19 passes for 78 yards. Other rushing statistics had McClendon with 61 yards, Jordon with 30 and James Galloway with 14. The long pass interception the Cowboys came up with was one made by Bill Kingrey on a deflection by Jonathan Mitchell while Mark Barousse and Jordon led the squad in pass receiving with two catches each. Linebackers Joey Granger and Johnny Spano were in on the most tackles for the Pokes.

Tailback Theron McClendon and cornerback Leonard Smith were named the outstanding players for McNeese State in the Cowboys' battle with Ball State.

McNeese 59 — Nicholls State 9

Playing with renewed vigor after a humbling defeat seven days past, the Cowboys destroyed the Colonels with a school record 635-yard performance that helped write a 59-9 epitaph on Nicholls' tombstone. The Cowboys, who had averaged 222 yards via the rush in their first two outings, gouged out 472 yards, another school record, and averaged more than seven yards per rush.

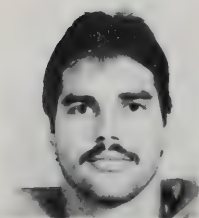

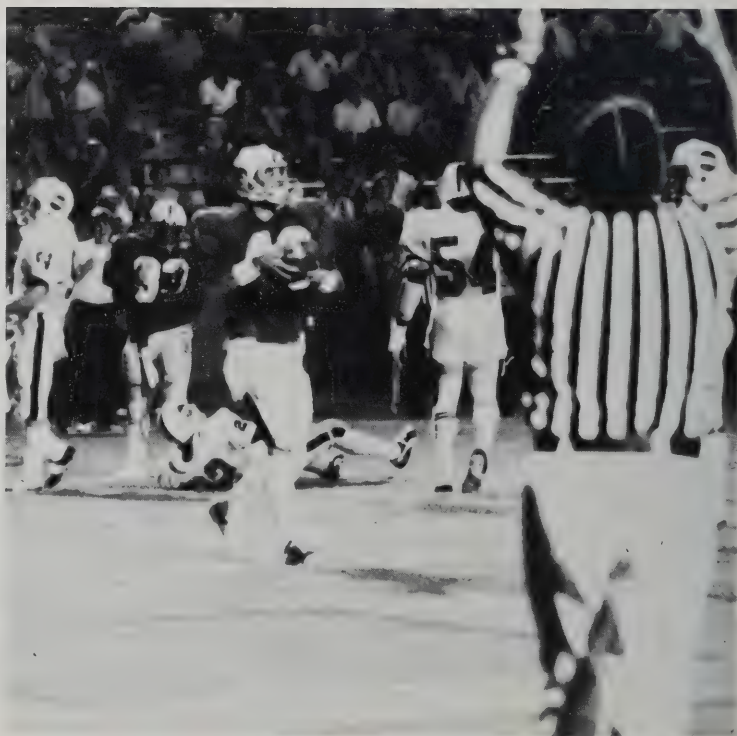

The Cowboys' rushing attack was led by tailback Theron McClendon, who gained 172 yards on 16 carries, and Buford Jordon, who accounted for 137 yards and four touchdowns on the same number of assignments. The offensive blitz allowed Don Stump to score nine points, breaking Larry Grissom's school record of 209 points for career scoring. Stump had now collected 215 points.

The secondary accounted for six interceptions, with Derrick Batiste picking off two and Leonard Smith, Robert Davenport, Clay Rougeau and Joby Doucet each claiming one. The Cowboys put this one in the freezer early, scoring on their first three possessions of the game, and five of their six drives in the first half.

West Texas State 31 — McNeese 24

A near record-breaking pass performance by quarterback Stephen Starring and outstanding kicking by Tony Whittington and Brian Blanco highlighted McNeese State's football game with West Texas State. Starring had the best single game passing performance of his career as he hit on 15-of-22 passes for 249 yards and one touchdown. And, he also scrambled his way for 38 yards rushing, giving him a grand total of 287 yards in the game.

Whittington, a rookie from Baytown, Tex., and Blanco, a sophomore from Morgan City, were pressed into service as kickers for the Cowboys when Don Stump was out with an injury. Whittington, a bare-foot soccer style kicker, took over the placekicking duties and on his first collegiate field goal attempt, he tallied a 48-yarder, the sixth longest in McNeese history. He also nailed three straight PATs and consistently booted the football into the end zones on his kickoffs. Blanco, who also serves as a tight end, took over the punting chores and averaged 41.6 yards on three punts.

In other areas, Buford Jordon and Dwayne Dartz led the team in pass receptions with four apiece, while Rusty Guilbeau and Johnny Spano were the leaders in tackles with 13 and 12, respectively. Guilbeau also had three behind the line of scrimmage stops.

Quarterback Stephen Starring and defensive tackle Bill Kingrey were named the outstanding players for the game. Starring was honored as the top offensive player in the game while Kingrey was singled out for his performance on defense.

McNeese 42 — Northwestern 21

The Northwestern Demons watched the roof cave in under an awesome Cowboy rushing attack and crumbled to a 42-21 defeat. The Cowboys rushed for 381 yards and added 93 more in the air en route to their third victory in five games this year. On the offense Buford Jordon rolled up 141 yards on 28 carries, while Theron McClendon rambled for an even 100 on 14. Quarterback Stephen Starring passed for 93 yards, hitting seven of 12 passes, and ran for 41 more. Fullback Ronnie Landry added 59 yards on 10 carries and running mate James Galloway 24 on six.

All total, McNeese had 474 offensive yards, the fourth straight time the Cowboys have surpassed the 400-yard mark this season. Defensively, the Cowboys dominated the game, holding the Demons to only 45 yards rushing and to 259 yards passing, most of this total offense of 304 yards coming after the Pokes had taken a 35-7 lead. The Pokes intercepted five passes in the game, the second time the Poke second Cowboy secondary pulled off such a feat this season. Robert Davenport, Derrick Batiste, Leonard Smith, Carlton Briscoe, and Todd McArthur made off with pass steals during the game. In tackles, Leroy Gedward and Rusty Guilbeau led the way, Gedward having six along with one sack and Guilbeau having five with two sacks.

McNeese 41 Northeastern 25

"It" was a goalline stand turned in by the McNeese State defense in a 41-25 Cowboy victory over Northeast Louisiana. What the defense did was turn back the Indians on four consecutive plays from inside the 10 in the early minutes of the fourth period with the Cowboys only up by a 28-17 count. The four plays had Cowboy free safety Carlton Briscoe breaking up the first pass, the next two off target and the fourth play finding linebacker Joey Granger sacking Indian quarterback Bob Lane.

Offensively for the Cowboys, it was another good night for the running game, the Pokes eclipsing the 400-yard mark. The big noise was Iota sophomore Buford "Munchie" Jordon ripping off 208 yards, the sixth best single game total in McNeese history. Quarterback Stephen Starring followed with 92 yards and a total offense of 229 yards as he also completed nine of 15 passes for 137 yards and senior tailback Theron McClen-don getting 68 yards.

In other areas, flanker Dwayne Dartez led in pass receiving with four catches for 55 yards and Jordon was tops in points as he scored four touchdowns. Defensively for the Pokes, Granger had a couple of sacks and five tackles while Robert Davenport, Leroy Gedward, Leonard Smith, Clay Rougeau and Bernard Bell had four tackles apiece. Flanker Dwayne Dartez and cornerback Bernard Bell were selected the outstanding players of the game.

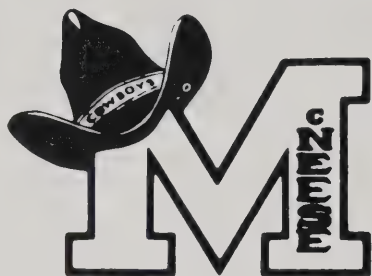

Above: Buford Jordon with the touchdown.

HOMECOMING

1981

McNeese 21 — Arkansas State 7

Buford Jordon cracked the 100-yard rushing mark for the fifth time this season and Rusty Guilbeau made four of his game high of nine tackles behind-the-line of scrimmage to pace McNeese State in its Southland Conference opening victory over Arkansas State. The 6-2, 222-pound Jordon was the workhorse of the Cowboy offensive attack during the game, carrying the football a season high 30 times for a net of 157 yards. He also scored the final touchdown of the night for the Cowboys, that coming on a 10-yard run.

All told, McNeese collected 207 yards rushing in the contest and had a total offense of 307 yards. Quarterback Stephen Starring accounted for 108 of these total yards as he rushed for eight yards and completed four-of-seven passes for 100. One of those tosses was a 40-yard touchdown strike to split end Mark Barousse who led the game with two catches for 56 yards. Also offensively, fullback James Galloway had 22 yards on five carries while Theron McClendon moved another step closer toward becoming McNeese's all-time leading rusher as he picked up 16 yards. In the place kicking department, senior Don Stump returned to duty and booted one of two PATs while also getting into the scoring act was Cowboy offensive tackle Lonnie Collins who pounced on a fumble in the end zone for McNeese's first touchdown.

Defensively, the 6-4, 261-pound Guilbeau was the leader as he collected a game high of nine tackles, four of them behind the line of scrimmage. Also high on the tackle chart were free safety Carlton Briscoe and linebacker Johnny Spano with eight stops and linebacker Joey Granger and cornerback Leonard Smith with seven. Free safety Derrick Batiste had six tackles on the game and also came up with two pass interceptions while strong safety Robert Davenport had a pass steal and six tackles.

Derrick Batiste and Mark Barousse were selected "Players of the Game" for McNeese State in the Cowboys' victory over Arkansas State. Batiste, a free safety, was selected for his defensive play in the game and Barousse, a split end, for his offensive play. The victory was the 12th Southland Conference win in a row for the Cowboys who now stand 1-0 in league play and 5-2 on the season.

McNeese 20 — Lamar 20

Don Stump collected his record while Stephen Starring and Mark Barousse came close in McNeese State's 20-20 deadlock with Lamar University. Stump, who had been eyeing both the state and the Southland Conference record for points from placement all season long, chalked up the standard by booting two field goals and two PATs. Starring, who engineered the final quarter 17-point flurry, completed 10 of 25 passes in the game for 251 yards, only three short of the McNeese single game record. And, Barousse caught five of those passes for a total of 152 yards, this mark being only seven yards shy of the school single game record.

In other statistical areas, sophomore tailback Buford Jordon rushed for more than 100 yards for the fifth time this season as he netted 114 yards on 14 carries and also scored two touchdowns. Those two six-pointers shoved his season total to 15, leaving him only two short of the Cowboy record.

Senior tailback Theron McClendon continued banging toward the record of all-time McNeese leading rusher. He netted 59 yards on nine carries in the game to move his career total to 2,738 yards, only 24 yards from taking the record. Sophomore Derrick Batiste returned two punts for 42 yards, his final punt return of the game covering 35 yards and setting up McNeese's game-tying touchdown. On defense, Stump's punting was a factor for the Cowboys as he averaged 46.2 yards on five punts while Joey Granger intercepted a pass, Leonard Smith blocked a field goal attempt and Leroy Gedward, Mark Helms, Richard Goerlich, Rusty Guilbeau and Carlos Trevino were leaders in tackles.

Place kicker Don Stump and defensive end Mark Helms were selected the outstanding players of the game in McNeese State's deadlock with Lamar. Stump was named the outstanding offensive player and Helms was a defensive leader on the team, coming up with a total of 11 tackles. The tie for McNeese left the Pokes with a 1-0-1 league record.

McNeese 27 — Louisiana Tech 20

With just under 11 minutes remaining in McNeese's contest with Louisiana Tech, the Bulldogs leading 20-17, appeared to be nailing the Cowboy's coffin shut. But as they have so many times before, McNeese totally dominated the rest of the fourth quarter to win by a score of 27-20.

Tech had just scored a touchdown which was set up by a Buford Jordon fumble at the Cowboy 15 to take the 20-17 lead, and on the ensuing kickoff the Pokes got only to their own 16. McNeese then took the Bulldogs' momentum away by driving to the Tech 14. Three plays later Don Stump entered the game to attempt a 37 yard field goal. The kick was good which tied the score at 20-20.

After the Bulldogs' next possession the Cowboys took over on their own 25 with just under 4 minutes remaining. Two Jordon rushes put them on their own 47 and on first down, quarterback Stephen Starring hit split end Mark Barousse on a 50-yard pass which brought the Cowboys to the Tech 3-yard-line. Barousse's only catch of the night proved to be the game's clincher as 3 plays later Jordon crashed into the end zone to give the Cowboys their 27-20 margin of victory.

Below: Stephen Starring (12) on the keeper.

UTA 21 McNeese 20

Buford Jordan's seventh 100-plus yards rushing game, a school record, highlighted McNeese State's Southland Conference conflict with Texas-Arlington. The 220-pound Jordan collected 162 yards in the one point loss to the Mavericks, his second high total of the season. The record of six 100-yard rushing games had been set in 1952 by Jules Derouen, who holds the school record for yards in a single season of 1,313.

In other offensive developments, Cowboy quarterback Stephen Starring set a school single season record for passing yards. Although he was only three-for-15 in the game and had two passes intercepted, he did account for 55 yards which shoved his season total to 1,248, breaking the mark of 1,221 that had been held by Johnnie Thibodeaux for the past seven years.

Split end Mark Barousse was the team's leading receiver with two catches for 45 yards, while scoring touchdowns were Theron McClendon, James Galloway and Starring. Don Stump had another excellent night kicking the football, averaging 45.3 yards on six boots, while defensive leaders were Richard Goerlich with 11 tackles, Rusty Guilbeau with 10, and Bernard Bell with seven.

Tight end Carl Bates and cornerback Bernard Bell were selected the outstanding players for McNeese State's outing with Texas-Arlington. Bates was named the outstanding player on offense and Bell was singled out on defense.

McNeese 14 — USL 7

McNeese State tailback Buford Jordon picked up a couple of Southland Conference records during the Pokes' 14-7 season-ending victory over SW Louisiana. The 220-pound sophomore from Iota cracked both the single season rushing and touchdowns scored rushing records. He netted 84 yards rushing to shove his total to 1,267 for the season. Jordon scored both McNeese touchdowns to give him 18 for the year, snapping both a SLC and McNeese record.

Jordon collected the records, but senior tailback Theron McClendon emerged as the game's leading rusher as the DeRidder senior garnered 89 yards on 17 carries, while fullback James Galloway ripped his way for 47 yards on 10 carries and Starring picked up 46 yards on 32 rushes. McClendon's total left him shy of the 3,000 mark in career rushing statistics with a career ending but school record setting 2,930 yards.

On the defensive side, cornerback Leonard Smith increased his school record for blocked kicks, as he blocked his fourth field goal of the season. Tackle Leroy Gedward paced the Pokes in tackles with nine, while linebacker Richard Goerlich had eight and linebacker Mark Smith and safety Robert Davenport had seven apiece.

Offensive guard Bret Martin was named the outstanding offensive player while linebacker Mark Smith was named the outstanding defensive player of the game.

BASKETBALL

Cowboy Basketball

As a team the Cowboys produced a 14-15 overall record and finished fourth in the Southland Conference regular season, tying for third in the postseason SLC tournament. Considering the opposition, it was a good year for the Cowboys whose lineup was speckled by newcomers and freshmen. Five teams that McNeese faced during the season were selected to play in either the NCAA tournament or the NIT (NE Louisiana, SW Louisiana, Marquette and Ohio State tabbed for the NCAA and Lamar for the NIT) and two of those teams the Cowboys played twice and one, (USL) they played three times.

Joe Dumars, David Green and Chris Faggi reached personal milestones during the past basketball season for the McNeese State Cowboys. Dumars, the talented rookie from Natchitoches, set a team scoring record for a freshman as he came up with 527 points to pace the Pokes with an 18.2 point per game average. In leading the Cowboys in scoring, Dumars was in the running for the SLC title all year long, being one of only two rookies to ever challenge for the league leadership. He was named to the all-SLC team and the league's "Newcomer of the Year," became only the 10th player in MSU history to score more than 500 points in a single season.

Green picked up 110 assists this season to give him a total of 329 in his two year career, good enough to snap the career record of 321 that was held by Bertel Reder. He was also tops in steals for McNeese with 42. And, Faggi, playing his final season, moved into ninth place on the all-time scoring and rebounding chart at McNeese. He closed out his four-year career with 1,463 points and 609 rebounds.

COWBOYS BEAT INDIANS (70-63)

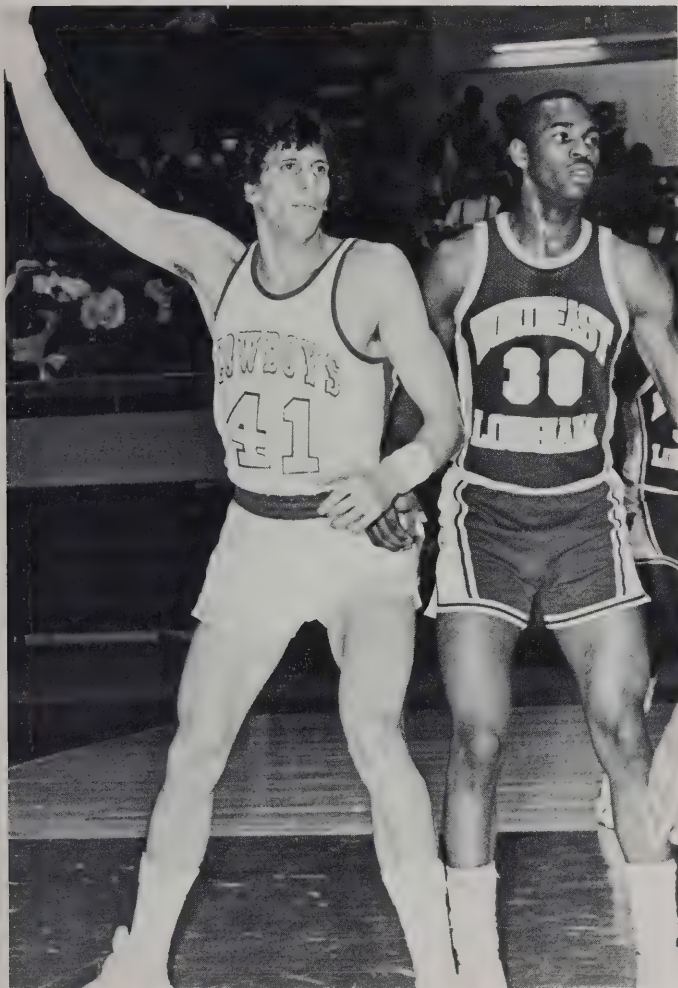

The McNeese Cowboys rolled past Arkansas State to open the conference with a 70-63 victory in the Civic Center. Chaffould opened the scoring with a short jumper, and after a steal by Chris Faggi, he jammed one home to open a 4-0 lead. Martinez Grimes added another two a few seconds later to make it 6-0, and the Cowboys never looked back in the first half as they rolled to a 39-23 lead by half.

In the second period the Cowboys ran their lead up to twenty when Faggi put one in from off the glass to make it 47-27. But the Indians rallied to cut their deficit down to 7.

The Pokes out-rebounded the Indians 36-29 as Chaffould picked the boards clean for 13 rebounds. The win lifted the Pokes over the .500 mark to 9-8 on the season.

COWBOYS NIP CARDINALS (51-49)

Joe Dumars hit a 20 foot jumper at the buzzer to give the McNeese Cowboys an upset win over the Lamar Cardinals 51-49 in the Lake Charles Civic Center. The shot capped off one of the best efforts of the season for the Cowboys.

After being down at halftime, McNeese pulled out in front of the Cardinals. The game then went to the Pokes advantage as they, supported by a very LOUD MSU crowd, controlled the momentum of the contest. McNeese called time out with 12 seconds left, Joe Dumars then calmly took a pass from David Green and hit the shot heard round the world or at least the conference anyway. The win brought McNeese's season record to 12-11 and their conference tally to 3-3.

Above: top, Barbier signals for the ball. Bottom: Chaffould goes for the shot.

COWBOYS DOWN LA. TECH (78-77)

The McNeese Cowboys advanced to the semi-finals of the SLC tournament by virtue of defeating La. Tech 78-77. It took three overtimes and some hardnose defense by Chris Faggi but they did finally pull it out.

The Pokes came out like a bullet in the first half as they quickly grabbed a 20-10 lead. That was short lived and La. Tech pulled to within two at the half. The second half was tightly contested. The Cowboys led 46-41 with 10:30 left in the second stanza. But the Bulldogs then took the lead. Later McNeese tied the contest when Chris Faggi hit a jumper to put the score at 61 all with 32 seconds left. Tech worked for the last shot but could not put it up as regulation play ended.

In the third overtime with seconds remaining and the Cowboys with the lead. Tech's Emerson Wafer came down with the rebound. Chris Faggi then proceeded to play one on one defense on Wafer. He passed the ball off to a teammate, but before he could throw up a shot the buzzer sounded giving the Pokes the victory. Chris Faggi, Joe Dumars and Fred Chaffould all had 16 points to lead the Pokes.

CONFERENCE TEAM INCLUDES DUMARS, AND CHAFFOULD

McNeese State's Joe Dumars and Fred Chaffould were named to the all-Southland Conference basketball team for the 1981-82 season. Dumars and Chaffould were among the five members selected to this year's team. The others were Ralph McPherson and Albert Culton of Texas-Arlington and Alford Turner of Southwestern Louisiana.

Dumars, who led the league in scoring with an 18.1 average, is a native of Natchitoches and a freshman. Chaffould, who led the SLC in rebounding with an 11.4 average, is a junior from Monroe.

Dumars was also named "Newcomer of the Year" in the Southland Conference. Texas-Arlington's Culton was named "Player of the Year" in the conference. Southwestern Louisiana's Bobby Paschal was named "Coach of the Year."

Making up the second team were Terry Long, Kenneth Perkins and Brian Kellybrew of Lamar. Mike Sailes of Arkansas State and Graylin Warner and Dion Brown of Southwestern Louisiana.

Cowgirl Basketball

The 1981-82 basketball season for the McNeese Cowgirls will not be remembered as one for a great won-loss record. In fact, the Cowgirls finished the year with the first losing mark in the school's seven-year history at 14-17.

But not everything was on a negative note during the year as there were several great individual efforts that led to Cowgirl records. The most noted record setter was junior forward Pat "Shoney" Jean who went on a scoring rage throughout the season eventually leading her to eclipse her own single season scoring total. She finished the year with 647 points breaking her own school record of 613 which she set just one year ago. Jean also finished the season averaging 23.1 points per game and 13.1 rebounds which placed her among the national leaders in the NCAA in both categories.

There were plenty of bright moments for forward Christine Sheridan, who ended her four-year career averaging 12.9 points per game while scoring 401 points during the season. She had seven games of 20 or more points during the season to finish her career with 1,421 points.

Two other Cowgirls also finished their careers as Cowgirls this season with Ann Roubique and Pauline Habetz putting the finishing touches on their four year terms.

The season also brought to an end the coaching career of Margie Hinton who wrapped up her five year span at McNeese with an overall mark of 94-58 and during that time sent her squads to the regional playoffs three times.

Cowboy Baseball

Seniors James Gallier and Lud Henry accounted for most of the records broken by the McNeese State baseball team during the 1982 season. The Cowboys, who compiled a 25-29 overall record and won two tournament titles during the year, broke a total of nine records (team and individual) during the season.

Gallier, who wrapped up a four-year career as a starting first baseman for the Cowboys, accounted for four of these records. He set a single game record in RBIs by driving in seven in one game with Lamar and he tied a single game mark for home runs with three against the Cardinals. Gallier also set career records in times at bat (587) and in base hits (176).

Above: The 1982 Baseball Team.

Henry, who was a four-year starter at third base for the Cowboys, set a career record in doubles by slamming out 34. Also coming up with a pair of records was Cowboy centerfielder Carl Grayson who stole four bases in a game against Northwestern State for one mark and a total of 24 on the season for another.

In the team category, McNeese set records for base hits (369), double plays (39) and stolen bases (92). Short-stop Roger Hickernell won the team batting title for the second year in a row, posting a .372 mark with 64 hits in 172 trips to the plate. Other hitting department leaders were Henry in home runs with seven and in runs batted in with 34 and Gallier in runs scored with 35. In the pitching department, righthander Ben Berwick won the most games (five) while reliefer Scott Wade had the best won-lost percentage with a 4-0 record.

Triny Rivera
Head Coach

Triny Rivera is now in his third season as head coach of the McNeese Cowboys. A native of Wharton, Tex., Rivera has been around baseball all his life and has come to believe that the best teams are those that play a sound defense and utilize speed on offense.

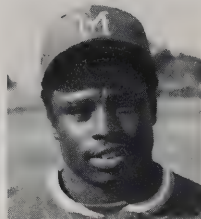

"You've got to be strong up the middle on defense and then be willing to utilize your speed on offense," he said. "Here in the Southland Conference you've also got to have good pitching depth. Year in and year out, you'll find that teams with the better pitching staffs will either win or be in the top two when it comes time to settling the conference championship."

Bill Simon
Assistant Coach

Bill Simon, a former McNeese State MVP, is serving as assistant coach with the Cowboys this season. He is a 1976 graduate of McNeese and is currently pursuing a Master's degree. Simon was the McNeese MVP in 1975 when he batted .366 and was named to the all-Southland Conference team as an infielder. He joined the coaching staff this season.

Cowgirl Softball

The McNeese Cowgirl Softball team, under the direction of coach Jim Draudt, ended its 1982 season with a 26-15 overall record. Many records were broken by the Cowgirls this season, six of which were career records for Cherilyn Lantrip. Lantrip batted .313 for the Cowgirls and assumed the career lead in runs scored (113), hits (134), doubles (16), home runs (12), stolen bases (55) and runs batted in (75).

There were five other records turned by the Cowgirls during the season. Jan O'Friel, the team's leading batter with a .316 average, set a single season record for runs batted in with 29 while Pam Mayet set a mark for triples as she belted 8. In the career pitching statistics, Laura Grifka recorded her 39th victory and 130th strikeout. This season the Cowgirls compiled one of the best records in the state.

Above: The 1982 Cowgirl Softball Team.

Cherilyn Lantrip wrapped up her collegiate softball season in style, going out the all-time McNeese State record setter in most batting categories. Not only did she pack away the Cowgirl MVP for the 1982 season but she also added her name to the Cowgirl record book a total of six times, all of these for career records.

MSU Intramural Staff

Intramural Sports: provide an opportunity for McNeese students, faculty and staff to participate in structured leagues and tournaments in a variety of sports. Competition is divided into men's, women's, and co-rec divisions. Operating out of the New Ranch, the Intramural Department coordinates the programming of intramural sports, free-time recreation, and sport clubs for the McNeese community.

Apr. 26-28 — SLC Tournament (Jonesboro CC, Jonesboro, Ark.)

(HOME MATCHES AT PLAYED AT THE PAR 72 Lake Charles Country Club; Pro George Cascino)

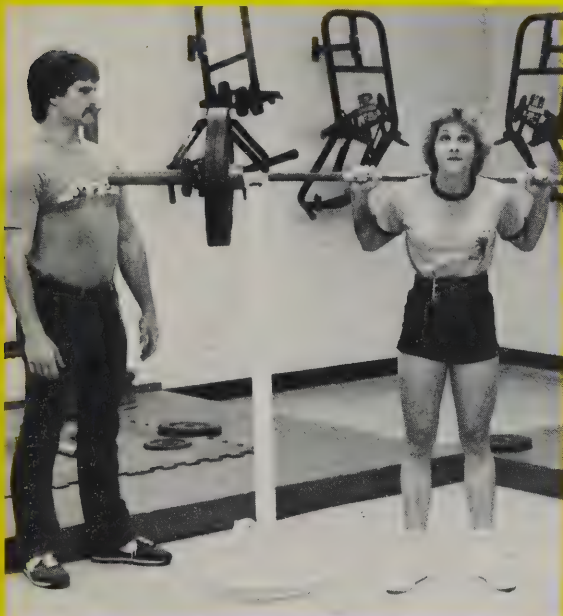

MCNEESE

POWERLIFTING TEAM

The McNeese Powerlifting team, coached by Chad DeRousselle also a lifter on the team, is a newly formed organization here at M.S.U. The Powerteam is becoming known throughout the Southland Conference and its reputation is definitely earned. The team is also involved in community affairs. Earlier this season they gave an exhibition in the Prien Lake Mall, which was a huge success for participants and observers alike.

The McNeese powerlifting team is young, they are only in their third year, but they more than make up for their youth with their talent. The Power-team is good and they are beginning to gain the respect they deserve, both as athletes and as involved students.

Above: Laurie Greené, holder of a national collegiate weight lifting record.

Above: l-r: Bart Dahmer, Laurie Greene, Mike Duhon, and Chad DeRousselle.

McNeese State's Laurie Greene is now the holder of a national collegiate weight lifting record. She set the record during the recent state championship matches in Monroe where she won the Louisiana State Women's Collegiate title for her 112-pound weight division. The record she set in Monroe was for the deadlift, doing 281 pounds and breaking the existing record by six pounds. She also tied the national collegiate record for total weight with a 633-pound accumulation. This record setting performance qualified Greene for next year's national championships.

Also during the state competition, McNeese State's Mike Duhon placed third, Glenn Hebert won the super heavyweight class while Mike Duhon was third in the men's 114-pound division and Ron Legnion was third in the 132-pound division.

Team Members Include:

Laurie Greene

Greeks

Panhellenic Council

MCNEESE PANHELLENIC COUNCIL

The Panhellenic Council is an advisory governing organization that is composed of representatives from each sorority. The council is the official spokesman for matters concerning the six national sororities on campus. The council encourages sororities to become involved with campus and community affairs; promotes scholarship by emphasizing and recognizing the academic performance of the sororities' members; promotes leadership; and encourages cooperation and friendship among the sororities and coordinates sorority activities including Rush Membership Week.

McNeese State University has four sororities which are members of the National Panhellenic Council. They are Alpha Delta Pi, Chi Omega, Phi Mu, and Zeta Tau Alpha. Alpha Kappa Alpha and Zeta Phi Beta are members of the National Pan Hellenic.

The Panhellenic Council is the official governing council of the sorority system. Through the efforts of Panhellenic, activities are planned to involve all sororities and a general effort of unity is promoted.

A sorority can be a very rewarding aspect of your life. By becoming a member of a sorority, a girl not only learns to become a responsible individual but also learns to strive for high goals in life through her own efforts and through sincere encouragement from friends. Most of all a sorority creates a lasting relationship between each of its members because a girl grows to realize and appreciate the ideas of each sister.

Sororities Are Great!!!

Interfraternity Council

The Interfraternity Council is an organization whose purpose is to establish and maintain good interfraternal relationships and promote the fraternity system as a whole at McNeese. The IFC is composed of two delegates from each fraternity on campus. These delegates serve on a council which coordinates and governs men's Greek functions.

Campus beautification is one of the projects that the IFC has undertaken. Much of the landscaping that surrounds the new student union building is a result of the work of IFC. The IFC, along with the Panhellenic Council, also sponsors Greek Week. Greek Week is an event that is held every spring semester at McNeese and is a celebration of the Greek system on campus. This past spring, the IFC also published a brochure which contained pictures and articles about the activities of each fraternity. This brochure is used to give a better idea of what the fraternal system at McNeese is about.

McNeese's Interfraternity Council's purpose is to govern and coordinate the Greek Social Fraternal System of campus and to promote and strengthen the system for the betterment of the University.

The members of the IFC are composed of representatives from Alpha Phi Alpha, Deacons, Delta Tau Chi, Kappa Alpha, Kappa Alpha Psi, Kappa Sigma, Omega Psi Phi, Phi Beta Sigma, and Pi Kappa Phi.

OFFICERS OF IFC:

Bryan Beam	President	Kappa Sigma

SORORITIES

SORORITIES . . .

"A Welcome Into Sisterhood"

There you are. It's your first big day to look at college sorority life. Will you be a part of this Greek system? You're in this position with more than 300 other girls who are wondering the same thing. You may be from Jennings, New York City, Reeves, Houston, or even Lake Charles. You may be a freshman, sophomore, or junior. But, you're all in this together. When you arrive, you're excited, you're scared. What lies ahead of you is totally unknown. The first few days you'll be introduced to individuals in every house. Festive parties of vivid colors, entertainment and refreshments await you. A stay at each house will bring you closer to your decision. The final days of Rush are the most important. Following the formal parties, you'll be choosing a home to spend the rest of your college days. The morning of that very special day, you are bright eyed and eager. You preferred the houses and are awaiting the final outcome. The heightened event climaxes at the moment you chose to pledge that very special house. Emotions of excitement build as you anticipate meeting your new pledge sisters. Your heart pounds. The adrenalin flows. You are welcomed with tears of happiness. You are welcomed HOME to a new experience at McNeese State University.

We encourage you to make a sorority a part of your life and I assure you that you won't be disappointed, because McNeese offers many opportunities for expanding your outlook on life, to meeting new people and preparing you for your future. All and all you will learn to grow together and become a better individual because you will experience with one another a common goal, SISTERHOOD.

FRATERNITIES

FRATERNITIES

FRATERNITIES . . .

"An Important Part of Going to College"

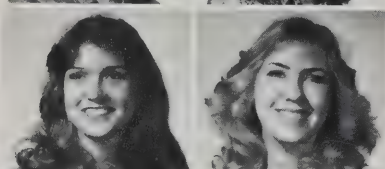

"People always claim there's something wrong with fraternities, but they'd be really surprised at the good they do. They give a guy something to hang on to and some friends who can help him when he needs it. Fresh out of high school you may find it a totally new experience to be only a face in a crowd. If you don't have something to tie on to, you can become lost.

You get out of a fraternity what you put into it, and it's up to the individual to take advantage of what it has to offer. It develops a young man's leadership ability. A lot of times a fellow may get in a group where he doesn't know a lot of people, or he's in a big meeting with four or five hundred students, and he's afraid to get up and say anything. If he is in a fraternity with fifty or sixty other guys he knows real well, he develops guts enough to get up on his feet and tell people what he thinks. He learns to get along with people and learns to speak out for himself, and those things are very important.

Also, being in a fraternity ultimately leads a young man to take better care of himself personally. Fraternities help them recognize themselves as part of a team. You'd be surprised at the number of successful business men who take a serious interest in their fraternity, and employers hire fraternity men because they know they're getting quality workers.

You have to be on the ball to make it in this day and time. You can't just lay back and play the percentages any more. Being in a fraternity teaches you to always put your best foot forward.

To wear the Diamond Pin of Alpha Delta Pi is indeed a privilege and a responsibility. Alpha Delta Pi is the oldest sorority, founded in 1851. The motto, "We live for each other," is held dear by every Alpha Delta Pi sister.

Each Alpha Delta Pi is different in her own way, each possessing her own specialty. Through respect for each other and activities planned for each other, the ties of sisterhood are pulled even tighter.

The Alpha Delta Pi girls are a big part of other campus activities and organizations. They feel that striving towards a stronger bond, includes reaching out to others.

Alpha Delta Pi

Alpha Kappa Alpha

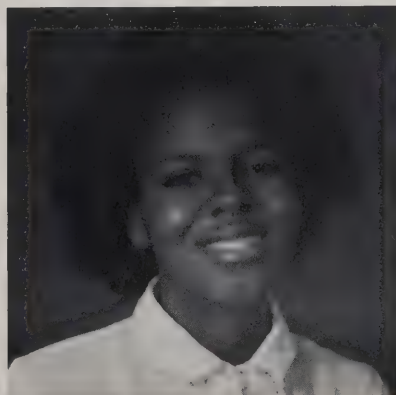

Alpha Kappa Alpha is the world's oldest college-based sorority for Black professional women. Originating in 1908, AKA has maintained its position of high scholastics and "service to all mankind." Zeta Pi chapter, chartered on December 5, 1971, has also played its part in the attainment of high scholastics and service. In the area of service, Zeta Pi has donated money to the NAACP, the Cleveland Job Corps Center, and the United Negro College Fund. Alpha Kappa Alpha believes that sisterhood, like democracy, is a realistic goal to be strived for constantly.

Chi Omega

Sisterhood is a common tie in Chi Omega. This common tie stresses individuality.

Scholarship, service, and friendship goals are set at the highest level possible so as to keep its members constantly striving to reach these goals. The harder a Chi Omega member strives for these goals, the more satisfaction she will receive.

Phi Mu

The sisterhood of Phi Mu is a team of individual people drawn together by the strong and lasting bonds of common goals, standards, and activities.

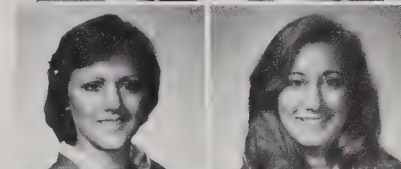

One of Phi Mu's annual community service activities is the Lake Charles Junior Miss Pageant. This program, involving high school senior girls, stresses talent, scholarship, personality, and youth fitness.

The annual formal, "Winter Wonderland," is the highlight of the year.

Zeta Phi Beta

It is the ideals of finer womanhood, service, scholarship, and sisterly love that have made Zeta Phi Beta sorority one of the most established black organizations in the country. Zeta Phi Beta Sorority was founded January 16, 1920, at Howard University. From that one undergraduate chapter has grown 246 graduate, and 222 undergraduate chapters which are spread throughout the United States and Africa. Lambda Gamma chapter had its beginning on McNeese State University campus on April 2, 1970. From that time on MSU's campus, Zetas have worked wholeheartedly to fulfill all the ideals of Zeta Phi Beta. Lambda Gamma is very interested in the extra-curricular activities of McNeese's minority population. They are ever working on new activities to get McNeese's minority students involved in cultural and social activities. Zeta welcomes all interested ladies to attend all Zeta's functions. Your interest is always enthusiastically accepted.

With 181 chapters and nine colonies, Zeta Tau Alpha is the third largest and fastest-growing sorority in the U.S. and Canada. Since its founding on the McNeese campus in May, 1971, the sisters of the Eta Eta chapter have strived to help each other to develop her abilities to the highest. They emphasize scholarship, campus and community service.

The Zetas have worked together to raise money for the National Association for Retarded Children and gladly volunteered their time to usher at all the home MSU basketball games. The annual Silver Crown formal, a Christmas party, exchanges, and slumber parties make up today's Zeta.

Alpha Phi Alpha

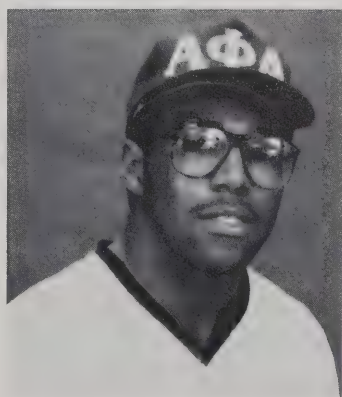

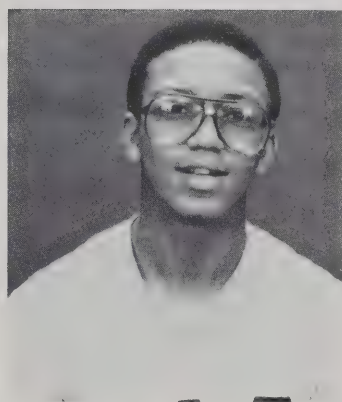

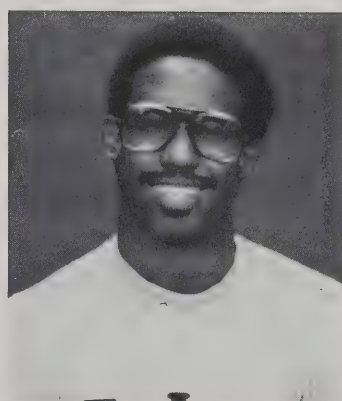

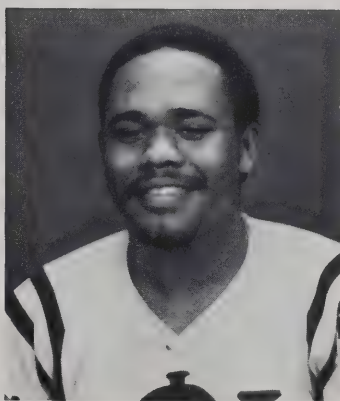

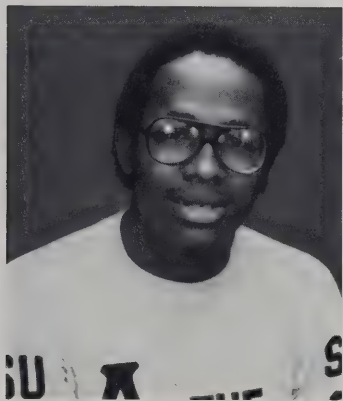

This is the fraternity of Alpha Phi Alpha. A monument of greatness in American Black history, Alpha Phi Alpha was founded on December 4, 1906, at the Ivy League University of Cornell. Since its inception the fraternity has grown to a National prominence and produced such leaders as W. E. B. Dubois, Vernon Jordan, Martin L. King, and Andrew Young.

This institution has also been instrumental in rights won by Blacks as the Civil Rights Act of 1964 was the product of the successes of an Alpha. The NAACP, National Urban League, and the SCLC all have backgrounds that owe in great part to efforts that have been developed by the development of the first black Greek fraternity.

The Brothers of Theta Theta are cut much in the same mold as one would expect of Alpha men, as we, as a fraternity, are very civic and social minded. There is no one outstanding individual achievement as the combined efforts of Alpha men make for many achievements, a positive step, and a development in college life.

Alpha Phi Alpha is a social fraternity seeking men of high scholastic standards, high moral character, and those looking for personal progress. Theta Theta Chapter invites all interested men to seek growth and awareness at McNeese State University with Alpha Phi Alpha.

Kappa Alpha fraternity was founded at McNeese State on October 24, 1969. KA is a fraternity rich in tradition and southern custom; the southern hospitality, the serious reverence for God, and the high respect and love for womanhood.

The brothers of the Kappa Alpha Order look to Robert E. Lee for example, — one who was confident, yet gentle; a leader, yet understanding and a man who feared his God and treated others with respect.

KA tries to fulfill the individual and prepare him through responsibility, recreation, and most important, a brotherly sense of belonging.

KAPPA SIGMA . . . PAST AND PRESENT

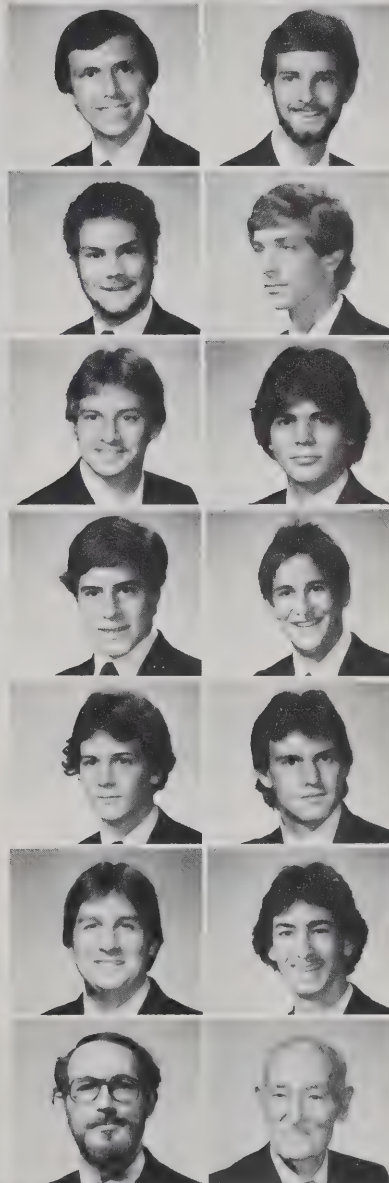

On December 10, 1966 the Theta Rho Chapter of Kappa Sigma made its first mark on the annals of McNeese History. Theta Rho's predecessor Delta Theta Chi was McNeese's first Greek-lettered fraternity and had its founding in 1951.

Today, Kappa Sigmas have broken existing records in nearly every realm of the MSU fraternal world. This year, 1982, Theta Rho brothers are serving as presidents of the Student Government Association, the Student Union Board, the Interfraternity Council, and the MSU Accounting Society. Brothers also serve as officers and leaders in Blue Key National Honor Fraternity, the *Contraband*, and on numerous university committees.

Brothers of Theta Rho have also been involved in and winners of many Intramural activities, have acted in university theatrical productions, and have worked on several community service projects. This year Kappa Sigmas won an award for donating the most blood in the SGA Blood Drive, defeated Kappa Alpha in the first annual Charity Bowl and donated their share of the proceeds to the Shriner's Hospital for Burned Children, and Kappa Sigma pledges raised \$500 for the American Cancer Society.

Rewards, accomplishments, and achievements are not ends in themselves. What must come before is that by which anything and anyone must be judged. Joseph H. Barbour's personal motto is "No excellence without labor" and herein lies the strength and beauty of Kappa Sigma's brotherhood. Our biggest accomplishment is the struggle to reach the next goal; to maintain our number one position on the MSU campus is our constant care.

Kappa Sigma is indeed "A Good Thing!"

What sweetness is left, if you take away friendship? Robbing life of friendship is like robbing the world of its sun. The same holds true with a fraternity. Friendship leads to brotherhood, which leads to manhood. Pi Kappa Phi is the fastest growing fraternity in the nation today. The brothers of the Beta Mu chapter of Pi Kappa Phi work hard, but they also find time to enjoy life that God has given them. Participation in the Interfraternity Council and other campus related activities is indeed a challenge, but it is the kind of test one wants, to grow, to experience, in the very sense of the words.

GOING GREEK

GOING GREEK

Being a part of a group, yet being your individual self; meeting people and making new friends; going to parties and having fun; serving your school and community; working and competing with others; being one big happy family: these things are just a few of the many various activities that go along with Greek life. Each fraternity and sorority has a style, purpose, and tradition all of its own, but they all share the common bond of being fellow Greeks.

This section is fondly dedicated to Catherine Johnson who died on January 20 while undergoing heart surgery. Her memory at McNeese will long outlast her brief life, and is shared by the many friends, both students and faculty, who knew her.

Catherine served as secretary of SLAE from September 2, 1982 until her death. She was a student teacher at Nelson Elementary School and actively supported all facets of the school's athletic programs.

Catherine's memory will continue to live on with the many friends she had at McNeese.

SLAE members from Louisiana Tech met with McNeese members and travelled to the national convention in Washington, D.C. Pictured are Stephanie Hickman, Liz Dilley, Ellen Taylor, Charmane Chevalier, Laura Cannaway, Nancy McElhane, Paul Comeaux, Jeffrey Whitmore, and Britt Roussel — guest.

McNeese SLAE officers pictured are Ellen Taylor, president; and Stephanie Hickman, treasurer

McNeese boasts two state SLAE officers for the 1981-1982 school year. Pictured are Paul Comeaux, president; and Glinda Harvey, treasurer.

The Student Louisiana Association of Educators is a pre-professional organization open to all students in the field of education and related curriculums. The SLAE and its national organization, the Student NEA, are affiliated with the National Education Association — the largest professional association in the United States.

The SLAE-SNEA strives to develop an understanding of the education profession in future educators, to advance the interests and welfare of students preparing for a career in education, to influence the conditions under which prospective educators are prepared, and most importantly to forward the aim of quality education for all students. The SLAE affords its members many opportunities to meet with professionals in both the teaching and administrative areas of education. Through involvement in the local, state, and national associations prospective educators are guided toward the highest ideals of professional ethics, standards, and attitudes.

S.L.A.E. Officers

Co-Advisors	Dr. Harry Gaventa Dr. Judy Shaver

The purpose of the Student Union Board is to provide entertainment for the McNeese student through concerts, dances, movies, lectures, art exhibits, fashion shows, and various other activities. SUB enables students to take a break from studying and get involved. It also enables students to meet new people and make new friends.

This year SUB sponsored a Tarzan and Jane Party, Pablo Cruise, G. Gordan Liddy, and a magnificent fashion show during Homecoming.

THE DEACONS

The Deacons are a brotherhood dedicated to the philosophy that social activities are an indispensable part of the "well-rounded" education and to the principle that obtaining a college education does not have to be a painful process.

Between attending classes and social functions, the Deacons presented a proposal to President Doland for an on-campus radio station and are currently researching the student interest in a possible Associate Degree in Aeronautical Technology for those interested in becoming certified pilots. Other projects currently being considered are studies for covered walkways extending from the New Ranch to Kaufman and Farrar Halls.

Recent accomplishments include winning the Interfraternity Council Scholarship Award for the Fall, 1981, for obtaining an aggregate grade-point average from 3.3 on the 4.0 University scale and, from one of our brothers who researched and proposed the system of Academic Bankruptcy, President Doland and McNeese State University recently adopted with only moderate changes the policy of Academic Bankruptcy.

Goals set by the Deacons are: an increase in membership in order to request a charter from one of the largest international fraternities, maintaining excellence in scholarship, working for a better McNeese State University, and, of course, more parties!

All the guys in this picture have over a 3.5 average.

Glenn and friend . . .

Our resident professor of "Second-lining."

We are not going to move . . . and that's that.

The annual fall concert, Messiah performance, Spring Opera Production, and a special May concert are some of the performance opportunities for the University Orchestra, directed by Dr. Allan Fuller. Advanced string instrument musicians are, also, invited to perform with the Lake Charles Civic Symphony. One hour of credit per semester is earned by students playing in the orchestra, which is open to students by audition. Scholarships are available for deserving students.

Phi Mu Alpha Sinfonia is an honorary organization for the encouragement of musical composition, performance, education, and research. It also promotes loyalty to the university and brotherhood of music students. Phi Mu Alpha Sinfonia strives to create an awareness of the importance of music to the individual. Dr. Allan Fuller served as faculty advisor and Dale East served as president for the 1981-82 term.

To the readers,

The staff of the Contraband would like to sincerely thank each and every student and faculty member of McNeese.

I have always felt that the Contraband is not only the MSU news release for MSU but a learning experience for the staff members as well.

Thank you for helping us learn. And thanks also for the contributions made to us. The people of McNeese and their whole hearted support helped make memories for each of us that will carry us over for many years to come.

John Chenet — President

This year has been one of many firsts for the Student Government under the administration of President John Chenet and Vice President Curt Gober. SGA in 82 has become a new dimension in student leadership. New programs begun this year include: Cowboy of the Week, Mr. McNeese, and Spirit Boosters. Other firsts for SGA include having the constitution rewritten thereby making the office of Treasurer elected, sponsoring the weekly campus news program on KBIU, and increasing the SGA assessment to assist other campus organizations in their efforts to promote McNeese. The SGA cabinet's greatest accomplishment, however, was putting the interests of the students first in their every endeavor.

Curt Gober — Vice President

Lori Sutton — Senate Chairman

The Forestry and Wildlife Club is an action organization, always looking for projects to bring about improvement of our environment. Some of these projects include wood duck nesting boxes, goose banding, the annual Whisky River Clean Up, helping the Heart Fund, and presenting environmental films. The club boasts winning the ROTC "Shoot-out" three consecutive semesters to win the trophy. While a serious group, they also enjoy barbeques, crawfish boils, and canoe trips.

The 1981-82 officers were as follows:

Faculty Advisors . . Mr. Kitt and Dr. Rumsey
 President Don R. Simons
 Vice President Billy Delany
 Sec/Treasurer . . Penny Managon
 Reporter Steve Floyd

Members were: Mike Walker, Jim Simon, Rene Michel, Barbara Bell, JoSette Burton, Larry Kile, Paul Whitehead, Terence Delaine, Buddy Carlson, Cathy Dickerson, Lynn Jones, David Shaheen, Scott Willis, Joel Isaac, Bennet Augustine, John Stacy, Danny Leuch, Kim Reid, Marc Kasher, Charles Bertrand, and Lisa Grubb.

From left to right are Billy Delany, Penny Maragon, Don Simon, and Rene Michel.

Los Rancheros is a professional organization designed to broaden the education of its members in the Spanish language, music, and literature. Not limited to Spanish speaking students, the Los Rancheros attempts to study the culture of Spanish countries in general. Through its activities, the organization strives to provide a service to McNeese, the community, and the country. Dr. Maria Bustillo served as faculty advisor for the 1981-82 term.

Members of the "Los Rancheros" Spanish Club: *L to r, row 1:* Shirley P. Greenawalt (Secretary), Dorothy L. Scarborough (Treasurer), Frances A. Smith, Dr. Maria T. Bustillo (Sponsor), Cathryn L. Rice, Mary M. Chancon. *Row 2:* Phillip J. Jones, Phyllis A. Ponthieux, Roger Larach, Jimmy Larach, Margie Rodrique, Natalie A. Edwards (President), Teno Larach.

The Electrical and Electronics Engineering Society: *L to r:* Joseph Apiagyei, David Whiddon, Gean Tyndall, Eric Fontenot, Cazzol Moore, David Jones, Deborah King, Jiang Hsieh, Dwayne McCoy.

The Institute of Electrical and Electronics Engineers is a professional organization, both scientific and educational, which is directed toward the advancement of the theory and practice of electrical engineering and the allied branches of engineering and related sciences. IEEE is also directed toward the advancement of the standing of the members it serves. Membership is open to students enrolled in electrical engineering. In addition to the regular meetings, field trips to area plants, social activities, and participation in Engineering Open House are emphasized.

ALPHA PSI OMEGA

Alpha Psi Omega is a national honorary organization for dramatics. It was founded on the McNeese campus in 1940. A student must perform on stage and work backstage before being initiated into the group. A student then becomes a lifetime member.

The A Cappella Choir membership is made up of students from the various academic departments. MSU's A Cappella Choir is called on to perform for churches and clubs, in addition to the regularly scheduled choral concerts and the annual spring tour made by these McNeese musicians. Many members also participate in the annual Lions Club opera productions and in the presentations by the Lake Charles Messiah Chorus. The choir as a whole often is invited to perform with other organizations. A Cappella Choir is open to all students and offers one credit hour for its practice sessions, which are scheduled three times a week.

ACAPPELLA CHOIR

Members and pledges: *L to r, front row:* Rosemary Castillo, Lynn McCarty, Carla C. Prejean, Joyce Fontenot, Mary Seeley. *Second row:* Cheri White, Hwei-Na Fong, Vicki M. Monsour, Ann Taylor, Marion Robertson, Laura Calloway, Jeanette G. King. *Third row:* Lisa Holloway, Sally Hebert, Karen Bachelor, Molly Ellis, Carol Yarbrough, Karen Peet. *Fourth row:* Tracy King, Carol Airhart. *Not pictured:* Beverly Harlan.

Officers: *L to r:* Jeanette G. King, Chaplain; Mary Seeley, Treasurer; Laura Calloway, President; Carla C. Prejean, Vice-President; Joyce Fontenot, Recording Secretary; Marion Robertson, Corresponding Secretary; Carol Yarbrough, Sgt.-at-Arms.

Sigma Alpha Iota is an honorary international music fraternity designed to create the highest standard of professional ethics and culture among women students in music schools. On the national level, the fraternity is well-known for its service to music, sponsoring such projects as the Inter-American Music Awards, The Braille Music Transcription Program, the International Music Fund, Sigma Alpha Iota Foundation, and Music Therapy Fellowships.

The McNeese Beta Chi Chapter sponsors a luncheon for Messiah soloists, sells coffee at the rehearsals and music festivals, observes Incorporation Day, and presents monthly musicals.

Dennis Hopkins
Director

Kevin Johnson
Drum Major

Biggest band ever at MSU . . .

McNeese State University has a band to be extremely proud of this year. The MSU Cowboy Band has more playing members this year than in any previous year.

"Almost every section has doubled," said Band Director Dennis Hopkins about his group of 207. There are 120 freshmen and transfer students. Mr. Hopkins said that the band has received members from almost every school the Cowboys played last year. New members have come from West Texas State, Sam Houston State, the University of Houston, the University of Arkansas, Pan American, Corpus Christi, Northeast and Northwest Louisiana Universities. Bobby Fayard was so impressed with the Cowboy Band in their halftime performance at the Independence Bowl that he left Southern Miss. to play with McNeese this year.

Among the new members are a few professional musicians, one who has played with the Contemporary gospel group "Truth," and another who is a graduate of Princeton University now working on his master's.

Freshman Mike Junkroski said that he had worked some with the MSU band last year and he could feel things starting to build almost like a rebirth. "From the first rehearsal this year I could tell that this is an organization I definitely want to be a part of and I know everyone else in the band feels the same way," Junkroski said.

Senior band member Mark Broussard said, "Usually when you want to increase the size of a band as much as it has increased this year the standards are lowered, but because of the recruiting efforts of Mr. Hopkins every single person in the band is more than able to carry his load."

At the beginning of rehearsals the group agreed that they would have to make many compromises because of their large number. The Cowboy band members also agreed to make the necessary sacrifices to make their band the best in the country. With a glorious attitude of pride, the MSU Cowboy band will really be something to see and hear.

ROTC Officers: **Center front:** LTC Arnold. **First row:** MAJ White, CPT Steel. **Second row:** Mrs. Louviere, CPT Taylor, CPT Sivule, Mrs. Pollard. **Third row:** MSG Green, SSG Griffin, SGM Harges.

Orienteering . . . rappelling . . . mountaineering . . . canoeing. These are all part of the new image of Army ROTC at McNeese, and it's called "adventure training." ROTC cadets spend a great deal of time outside the classroom in all types of hands-on training, putting into practice what they learn in theory in the classroom. This training prepares them both physically and mentally to meet the challenges which they will face as Army officers on active duty or as members of the Reserve Components. Whether or not a student plans to earn a commission in the U.S. Army through ROTC, all of them enjoy the friendly competition and spirit of the corps which adventure training fosters within the Cadet Corps.

RESERVE OFFICERS TRAINING CORPS

Pi Kappa Delta is an honorary fraternal organization for intercollegiate debaters, individual event competitors, nonclassroom audience speakers and instructors teaching courses in oral communication. Its purpose is to promote scholarship, especially in the field of forensic speaking in senior American colleges and universities. The membership of Pi Kappa Delta is composed of men and women united in the ideal of free speech — the art of persuasion, beautiful and just. For over half a century, Pi Kappa Delta members through research, leadership, and service have nurtured, encouraged, and promoted higher ethics and increased proficiency in the use of the spoken word as the means of clarifying, guiding, and protecting the democratic processes of our American heritage.

members: **I to r:** Jack Rogers — President, Lawana Holmes, Donna Spears — Secretary, Tom Gray — Treasurer. **Back:** Coach Bill Casey — Advisor, Mrs. Sigrid Novak — Honorary, Dale Gauthreaux — Vice President.

Tau Epsilon Kappa is an honor fraternity in technical theatre founded here at McNeese on March 5, 1982.

The purpose of Tau Epsilon Kappa is to gain and promote an appreciation for the live stage presentations through the knowledge, application, and experimentation of technical theatre aesthetics.

Tau Epsilon Kappa: **I to r:** Mark Teal — Vice-President, Anita Parker, Dale Gauthreaux, DeWayne Corley, Bruce Niles — Founder and President, Cynthia May, Tara Banning — Secretary/Treasurer, Felicia Vincent, Bill Dickerson — Advisor. **Not shown:** Tim Harris — Chaplain, Sandra Guillory, Sharon Burleigh, James Harrison, Veronica Semien, Bob West, Rachel Durand, Rosalind Guidry, Phyllis Gain, Laura Dawson, Charlotte Malone.

The Home Economics Association is a professional organization for Home Economics majors. Their goal is to assist members in development in their field and related areas. The association also assists students in becoming acquainted with people who have gained recognition in home economics. Affiliated with the American Home Economics Association and the Louisiana Home Economics Association, the local chapter meets the first Wednesday of each month.

Back row, I to r: Dr. Barbara Coatney, Mrs. Adrienne Ham — Advisor, Stephanie Leger, Linda Meadows, Jamie Landry, Julie Hebert, Mrs. Colleen Turner. **Seated, I to r:** Tracy Meyers — Reporter/Guard, Renee LaRocque — President, Cindy Clawson — Treasurer, Mardi Welo — Secretary, Mona Augustine — Vice-President (not present).

WESLEY FOUNDATION

Sitting, left to right: Peggy Hall, Frances Smith, and Beth Smith. **Standing, left to right:** Rob Guillory, Vera Coe, Martha Lehman, Karen Holcomb, David DeWitt, Jeanie Bowdon, Gene Talbert, Jena Cagle, and Steve Smith.

The Wesley Foundation is the United Methodist Church on the McNeese campus. Its purpose is to interpret the faith and doctrines of the church in terms of the needs and interests of the college and community. It provides the opportunity for students to discover more meaning and purpose for their lives through the Christian faith. Its regular events consisted of a group meeting every week for a free supper and chapel. After the service there was a program consisting of an educational, spiritual, informative, or entertaining theme. The Wesley Foundation also hosted an Open House Fellowship after each home football game. The officers for the 1981-82 term are:

President — David DeWitt
Vice President — Karen Holcomb
Secretary/Treasurer — Jena Cagle
Director — Vera Coe

ISA

The International Student Association is an organization which serves to aid in building friendship and understanding between American and International students. It aids foreign students in adjusting to the American culture, tradition and way of life, and encourages American students to learn as much about the native countries of the foreign students. The association also aids in helping the international students fit into campus life. The activities for this group are mainly social, and they always have a party for the purpose of getting the members acquainted with each other. The membership is open to any McNeese student or faculty member.

Members: **I to r:** Ben Thompson, Michell Soptie, Dennis Fontenot, Buddy Hebert, Cheryl Ballentine, Penny Managan, Tommy Becker, Mr. John Brazwell.

Officers: Buddy Hebert — President, Cheryl Ballentine — Treasurer, Penny Managan — Vice President, Mr. John Brazwell — Faculty Advisor.

The Horticulture Club is a social and service organization composed of horticulture majors and other interested persons. The main objectives of the club are to improve the campus, to promote our major field of study, and to advance personal development through interaction with other people.

Among the projects of the club are working to beautify the campus, participation in Homecoming activities, helping with Agriculture Day activities and social gatherings during the year.

Seated, left to right: Kay Cline, Lee Crawford. **Standing, left to right:** Marcia McDaniel, Tom Lutner, Phyllis Bertrand, Brad Lartigue, Robyn Blackwell, Dale Gauthreaux, Scott Laughlin, Voncile Sayers, Suzette Hood, Brian Beason.

The McNeese Baptist Student Union is a place where closeness and unity become a reality through Christian love. The purpose of BSU is probably best described by its activities that include Worship, Churchmanship, Fellowship, Study, Christian Stewardship, Witness, Missions, Ministry, and Social Action. To carry out these goals, a student Executive Council is elected each year.

BSU Summer Missionaries, **left to right:** Suzette Hood, Brad Lartigue, Melinda McFatter, Venita Edwards.

From left to right: Alvin Meaux, Kevin Hardy, Dr. Harold Aymond, Brett Burns, and Wayne McVicker.

The Agronomy Club is a professional organization which serves to stimulate interest, foster a spirit of cooperation, provide opportunities and coordinate activities in agronomy. The meetings for the past year were set for the second Tuesday of each month.

The American Institute of Chemical Engineers (A.I.Ch.E.) is a professional organization designed to promote the professional development of its members through organized activities, such as those during the annual Engineering Week. This development is achieved through the assistance and cooperation of the faculty, practicing engineers, and local industry, which work with the A.I.Ch.E. The 1981-82 officers are:

President	Daniel Friesen
Vice President	Michael Giles
Treasurer	John Shoults
Faculty Advisor	Dr. Edwin Eisen

Left to right: Daniel Friesen, Michael Giles, John Shoults, Dr. Edwin Eisen.

Chi Alpha is a national organization of students who unite to express the person and claims of Jesus Christ to their campus communities and call others into a relationship with Him. It takes its name from "Christou apostoi," "Christ's sent ones."

It is in joint submission to Jesus' command, "That ye love one another, as I have loved you" (John 13:34). This flow of love enabled and sustained by the Holy Spirit and His gifts. It proceeds harmony among the members and testifies to the divinity of Jesus. Chi Alpha's discipleship finds its directive in the authority of God's revelation, the Holy Scripture.

Chi Alpha is not only centralized on the McNeese campus, but also includes different outreach ministries of which members can become involved in. Included in these ministries are high schools, hospitals, drama, music, and small groups.

PRE-MED SOCIETY: Back row l to r: Vicki Doucet, Van Snider, Peggy Hall, Hank Reid, Mark Broussard, Billy Moss, Stuart Landry, Mike Sims, Mike Ieyoub, Mrs. Mary Kordisch, Michelle Pavich, Laura Welsh, Mitzi Paulk, Linda Leger, Blanche Shumaker, Julie Parker, Karen Schmid, Beverly Dowers, Sandy Davis, Mark Weaver.

The Pre-Medical Society is a professional organization which functions in promoting knowledge, organization, leadership, and a spirit of brotherhood among students majoring in all medical related fields. This group holds its meetings the first and third Monday of each month, and they usually meet in the Mariner Room. The 1981-82 officers are:

President . . . Mark Broussard
Vice President . . . Van Snider
Secretary Peggy Hall
 Linda Leger
Treasurer Mitzi Paulk
Senator Mike Simms
Scrapbook Blanche
 Shumaker
Sponsor . . . Mary Kordisch

The McNeese Rodeo Club is a professional organization designed to cultivate fellowship among all students in order to create and promote rodeo sportsmanship in intercollegiate competition. Its members include men and women who compete in rodeos and those who are interested in promoting the sport. McNeese Rodeo Club members are proud to support a spectacular rodeo team. The members met on a regular basis during the 1981-82 term and Dr. James Brooks served as faculty advisor for the group.

Rodeo Team Members 1982

| 9. Harper, William | 18. Wright, Julie |
| | 19. Dr. James Brooks, adviser |

We regret that the following organizations are not pictured in this year's edition of The Log. We, the Log staff, have made every effort to contact these organizations and to meet the stated criteria for inclusion of organizations in the yearbook. We have written several letters to these organizations and received little or no contact or cooperation for our efforts.

We regret it as much as the individual members of these organizations might in objecting to no yearbook representation. Because we could have made this section the largest ever, we are urging all the organizations to be more cooperative in the future so that all our time and effort will not have been in vain.

In closing the 1982 LOG Staff photographers take great pride in sharing with you some of the happenings and events that took place at McNeese State University during the 1981-82 school session through photos in correlation with our theme "Looking Through a Window into the World of Knowledge."

Gallery

Seated: Scott Rider. **Standing, left to right:** George Turner, Randy Monceaux, Tim Stiff, and Rick Gonzalez.

We look back and remember the happy times, feeling the rewards of hard work and dedication. Through the hectic times of registration, the time-consuming practices, the hurried treks to class in the unpredictable weather, the monotonous hours spent in the confining boundaries of the classroom, and the warm lazy afternoons when your thoughts were on the beach instead of on the books — we made it. Our existence was one of constant new beginnings and continuous endings that filled our lives and our memories. Molded by the vast and diverse character of who we were and had become.

Evening With Voris King

The 1981-82 Log Staff was honored to be guests in the home of Mr. Voris King, who not only is one of the more outstanding and distinguished men in the community is, also, an asset to our university.

Mr. King is the son of former Governor and Mrs. Alvin O. King. He was one of the founders of Leese State University for whom King Dormitory is named. As a graduate of Lake Charles High School, he also attended the University of the South (Swanee), married Frances Thompson in 1947, four children were born of marriage. Voris also has four children and one great child.

His active and hardworking has been an asset to Leese due to his involvement in the University. He serves on the Board of Directors of the Leese State University Foundation, is an honorary member of the Blue Key Society, and an honorary member of the "M"

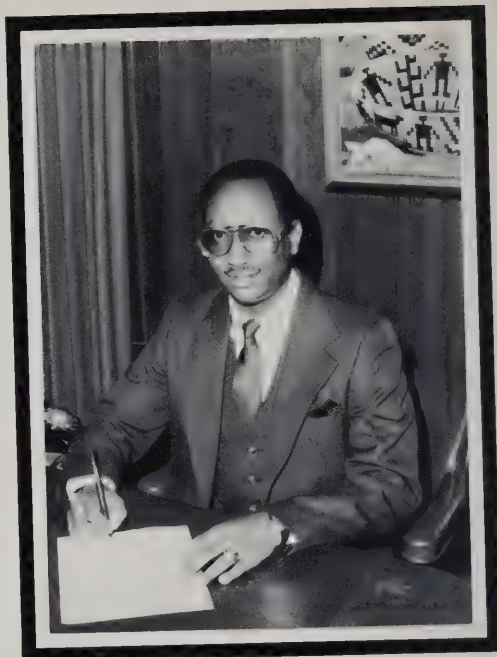

Club, a member of the Horn and Hoof Club, the Scabbard and Blade Society, the '100 Club, and Delta Sigma Pi.

Mr. King is currently the President and General Manager of Kelly Weber and Company, Inc., President of the Lake Charles Grain and Grocery Company, Inc., President of the Cemetery Association, President of the Calcasieu Area Council for the Boy Scouts of America, a member of Lake Charles Memorial Hospital, Chairman of the Board of Trustees for Simpson United Methodist Church, and a board member of the Lake Charles Chapter of the National Conference of Christians and Jews. He is a 33rd Degree Scottish Rite Mason, a member of the Habibi Shrine Temple, a member of York Rite and is on the Board of Directors of the American Bank of Commerce.

Mr. King has served as the Chairman of various drives including the March of Dimes, the American Red Cross, the Calcasieu Parish Easter Seal Bond Drive, Contraband Days, and is the State Campaign Chairman of the American Heart Association.

He is also a World War II Veteran and has been the recipient of many community service awards too numerous to list.

May 2, 1982

From the Desk of the Editor . . .

The 1981-82 Log through innovation, ideas and pictures has captured the involvement of our students, faculty, administration, and has recorded the most important events which have occurred during the year, and put them into words . . . words which will help you shape your memories into something solid and fresh.

It is impossible here to give a more detailed account of the 1981-82 events on the McNeese Campus, which are far more numerous than the small but efficient staff could cover.

We hope by looking through this book, you will be able to recall some of the happiness, the people and the fun you encountered while attending McNeese. It must be remembered that a staff of dedicated students, not professionals, is responsible for what you see. We have each striven for a degree of professionalism in attempting to solve our problems and mistakes, yet we humbly accept success.

There were days when everything imaginable went wrong; it seemed as if all our efforts were in vain, but somehow the staff would regroup and carry on.

I am sure I can speak for the rest of the staff in stating that we have all been involved in a training process in which we have benefitted in many ways. Having fulfilled my duties, I would like to thank everyone for giving me the opportunity to serve as the editor of the 1981-82 Log.

I also would like to give special thanks to: President and Mrs. Doland, Gary Snyder, Peggy Petty, Barbara Landry, Voris King, Louis Bonnette, Glenn Rutledge, Katheryn Kingery, Barbara Belew, Danielle Brown, Thomas Gibbs, John Chenet and Mark Jones for all their help in making this book a success.

I hope that as a reader you will gain as much satisfaction in reading "The Log" as I have in putting it together.

Sincerely yours,

Carl Wayne Smith

Carl Wayne Smith
Editor-in-Chief
